Summary

Data-driven Business Analyst with 5 years of experience leveraging SQL, Power BI, and Tableau to drive business success. Trimmed data integration time by 20 hrs / week by automating ETL processes. Master's degree in Business Analytics from The University of Texas at Dallas.

Experience

Principal Financial

Jan 2024 - Current

Business Analyst

- Accelerated project delivery by **15%**, resulting in a two-week reduction in project completion time, enhancing overall efficiency.
- Preemptively **mitigated \$2 million** in financial risk through strategic **risk management** and thorough **SWOT/gap** analysis.
- Achieved a **9%** reduction in operational costs by optimizing resource allocation and streamlining transaction processing.
- Shortened data processing cycles by **20** hours weekly, employing data transformation workflows and complex database inquiries.
- Increased **stakeholder engagement** by **10%** through the development and presentation of impactful **Tableau** dashboards, enabling data-driven decision-making.
- **Strengthened** financial data protection protocols, achieving **13%** fewer **UAT** errors with synthesized data, ensuring robust compliance.
- Influenced strategic alignment with methodical requirement gathering, gap analysis, and database-informed presentations, performing SQL **data validation** and analysis.

Vivma Software Inc

Feb 2019 - Jul 2022

Business Analyst

- Decreased product return rates by **12%** within **6** months, using **root cause analysis** (RCA) and **SQL** queries.
- Increased customer satisfaction by **10%**, enhancing CRM reporting and process mapping with MS Visio.
- Trimmed report delivery time by **5 days** by integrating **ERP** system data into **Power BI** dashboards, enhancing executive KPI insights
- Reduced reverse logistics penalties by **18%** through strategic analysis and contract negotiation, impacting **KPIs**.
- Improved resolution times by **15%** through streamlined customer support, utilizing **Jira** and **JAD** sessions.
- Enhanced key performance indicators (**KPIs**) by **15%** through business improvement activities, aligned with **FRD/BRD**.
- Centralized project documentation and requirements in **Confluence**, improving **stakeholder management** and ensuring clear alignment with business impact.
- Adjusted client portfolio performance by **\$1.7M** through financial analysis and data-driven insights, leveraging **Python** (NumPy, Pandas) for data manipulation.
- Streamlined data analysis using **Excel** (VLOOKUP, Pivot Tables, Macros, VBA), providing senior level insights.

Education

The University of Texas at Dallas, United States

May 2024

Master of Science in Business Analytics

National Institute of Technology Goa, India

Jun 2021

Bachelor of Technology in Electronics and Communication Engineering

Skills

- **Data Analysis & Business Intelligence:** Data Modeling, Data Visualization, Business Intelligence, Data Analytics, KPI Reporting, Dashboard Design, Data Storytelling, Ad-hoc Reporting, Financial Reporting, Predictive Reporting, SQL, Power BI, Tableau, Python (NumPy, Pandas), Statistical Analysis, Regression Analysis, Hypothesis Testing
- **Business Analysis Tools:** Jira, Microsoft Visio, Rational ClearQuest, Lucid chart, ERP Systems, Confluence, Smartsheet, Google Analytics, Salesforce Administrative, MS Project, MS SharePoint, Asana, Trello, Requirements Traceability Matrix
- **Methodologies:** Agile, Scrum, Waterfall, Cost/benefit analysis, Impact analysis, GAP analysis, Risk analysis, SWOT analysis, Requirements Gathering, FRD/BRD, Root Cause Analysis (RCA), UAT, Stakeholder Management, Process Improvement, Requirements Elicitation
- **Cloud Technologies:** AWS, Azure, GCP, Windows, Linux, Mac OS, Data Warehousing, Data Migration, Data Integration, Data Security, ETL, Data Cleansing, Data Validation, Database Design, Query Optimization, Data Governance

Leadership Experience & Certifications

Analytics on In-Memory Database, Head of SOC, The University of Texas at Dallas

Sep 2022 – Present

Infinity Lions Club, Member, The University of Texas at Dallas

Aug 2022 – Present

Certifications: AWS Data Analytics(in-progress)

Salesforce Administrative, Customer analytics
