EXPERIENCE

Company: Pyramid Consulting Inc.

06/2023 - Present

Title: Analyst - System Analysis and Program II

- Provide end user application support through monitoring support tickets
- Provide problem determination and resolution on functional issues
- Consult with programmers, database administrators, and systems administrators as required to resolve issues
- Utilize the ITS Change Management System to record and manage user requests for enhancements, system modifications and production support

Company: Science Applications International Corporations (SAIC)

01/2023 - 06/2023

Title: Help Desk Technician

- Proven success working in high-volume, 24x7 technical call centers. Demonstrated strengths in rapidly diagnosing, troubleshooting and resolving client issues.
- Consistently praised for communicating effectively with both technical and nontechnical users. Known for excellent problem-solving skills and patience in dealing with frustrated users.
- Routinely exceed call-handling goals, closing an average of 60 calls daily (25% above quota) with a 75% first-call resolution ratio and an average talk-time of 5.5 minutes -- well below 7-minute goal.

Company: Fisher Scientific

02/2020 - Present

Title: Customer Service Rep II

- Provide prompt and efficient completion of orders via phone and email while maintaining world-class customer service standards, achieving a 95% customer satisfaction rating
- Member of fraud detection team that prevented over \$750,000 in losses due to fraudulent orders

Company: Delta Airlines

10/2015 - 09/2019

Title: Customer Experience Specialist

- Handled 50-100 daily customer service calls for Premier clients, resulting in a 30% increase in repeat customers
- Utilized live chat/text-for-help platform to engage with up to 7 customers at once, significantly reducing response time
