Education

University of Florida, Masters in Computer Science

Aug 2024 – Aug 2026 (Expected)

- **Coursework:** Advanced Data Structures, Distributed Operating Systems and Prerequisites of ML
- GPA: 4.0/4.0

Vasavi College Of Engineering, Bachelors in Information Technology

Jul 2018 – Jun 2022

- **Coursework:** Algorithms, Object Oriented Programming, DBMS, Software Engineering, Web Technologies
- GPA: 3.62/4.0

Technical Proficiencies

- **Programming Skills:** C, C++, Python, Java, Groovy, Scripting, SQL, MongoDB
- **Concepts:** OOPS, Algorithms, Data Structures, REST APIs, Problem Solving
- **Technologies/Frameworks:** React, Node.js, Express, Config Tool - Oracle Framework

Experience

Associate Software/Applications Developer, Oracle India Pvt Ltd, India

Aug 2022 – Jul 2024

- Implemented 100 percent Automated Data-Setup in REST and UTA, boosting team productivity and increasing cross-team adoption, leading to higher reliance on our team
- Achieved a 30 percent reduction in API rendering costs by optimizing SQL database queries and enhancing algorithms
- Developed requirements, typically outlined by architects, which received approval from senior architects to ensure timely project completion
- Collaborated with cross-functional teams to successfully deliver the product under tight deadlines

Internship

Project Intern, Oracle India Pvt Ltd, India

Jan 2022 – Jul 2022

- Implemented new APIs with proper coding standards and updated current APIs to increase productivity
- Actively engaged in the team evaluations and offered suggestions to reduce the disputes so that the finished product would appeal to the customer
- Utilized the opportunity to become familiar with the new culture by socializing with members of other teams

Projects

Elevate

Jul 2023

- Online application for increasing the scope of employment opportunities for a specific period
- Tools Used: MongoDB, React

Truely-tell

Jul 2021

- Web application for sharing reviews within community members
- Tools Used: MongoDB, Node.js, Express

Achievements

- Value award for Research and development in the “Make It Better” category in FY2023 QA from Oracle
- Monthly spot award in June 2023 from Oracle
- Certificate of Merit from Vasavi College Of Engineering
- Commendation certification from Vasavi College of Engineering
