Experience

Lululemon

2022 – 2024

Senior Product Manager (US Remote)

Roadmap ownership for the Lululemon **Product Display Page** and its 400M visits. Prioritized and guided 10+ teams contributing to the evolution of the PDP focusing on revenue-driving guest experiences and component optimization.

- Concepted, tested and productized data-driven colour prioritization algorithms generating \$25M incremental revenue.
- Drove \$1M in operational savings by streamlining checkout
- Tackled a 3-year-old technical debt backlog, resulting in improved Core Web Vitals, and increasing team velocity.
- Reduced Sev-1 incidents YOY to zero by implementing monitoring tools for early error detection.

Toronto Dominion Bank

2018 – 2022

Product & User Experience Lead (Canada Remote)

Spearheaded research, design and delivery of flagship services for TDs 9M+ daily users.

- Market analysis, stakeholder interviews, user testing, story definition for international **Global Remittance Marketplace**.
- Defined guest experience, MVP > Full Market
- Achieved \$70M in reoccurring transfers by month 3.
- Delivered MVP Guest Authentication App, mitigating fraud risks for international users accessing accounts from abroad.
- Defined foundational strategy for TD Interac Small Business Payments, advancing payment solutions for small business clients.

Blanc Labs

2016 – 2018

Product Manager > Product Lead (Canada)

Client-facing Product Manager conducting discovery, definition, costing and delivery of digital products and services for Blanc Lab clients.

Equitable Bank

- Launched a 0-1 mortgage platform, empowering 400K+ businesses/retail customers to self-serve.
- Delivered and optimized customer service platform with statement generation, chat, and file transfer reducing average issue resolution by 67%.
- Integrated income verification API services, reducing origination and loan underwriting times.

Intravision Greens

- Completed discovery interviews, and strategy for a data consolidation and traceability product for hydroponic farms to reduce the impact of e.coli outbreaks. Resulting in a successful seed raise.

Experience *Continued*

Plastic Mobile, (Havas Worldwide) Toronto

2015 – 2016

Product Owner

Collaborated with a talented team of designers, engineers, QAs and researchers to deliver mobile applications for Plastic Mobile clients.

- Spearheaded the delivery of 4 mobile event apps to digitize the guest experience for **RBC Avion** loyalty program activations across Canada.
- Optimized onboarding and offer redemption by 30% in the **Shoppers Drug Mart's (Canada's Largest Pharmacy)** iOS/Android mobile applications.
- Delivered updates to **PizzaPizza (Canada's Largest Pizza company)** digital platforms for compliance with Canada's Healthy Menu Choices Act.

The Marketing Store Worldwide

2013 – 2015

Project Manager

Delivered projects that improved acquisition, retention and recapture for TMS clients.

- **Transition Lenses -**
 - Delivered integrated marketing campaigns across the US and Canada. Including: Flyers, Product Samples, Landing pages, sweepstakes and trigger-based emails.
- **Nissan & Infiniti -**
 - Delivered customer acquisition mobile application used by event staff at international car show events for Nissan and Infiniti.
 - Partnered with the leadership team on multiple Requests for Proposals.
