Intro

Hello, my name is Chris and I'm currently making the transition from the Maintenance industry into the **Information Technology** field with a focus on **System Administration**. I have been doing everything I can, such as running through technical scenarios, to improve my skills and gain exposure, and have produced and released content that is useful in today's IT industry to help others who are also trying to learn (see below). Thank you for reviewing my resume!

Education

May 2019

Piedmont Hills High School - *High School Diploma*

June 2022

Center For Employment Training - *IT Support Specialist Course*

Certifications

CompTIA A+ - (*In Progress: Projected May 2025*)

Experience

Github: - <https://github.com/chrisvilla1301/chrisvilla1301/blob/main/README.md> (*IT Projects and Tutorials*)

Developed content for, as well as performed the following tasks:

- Installing Windows Server 2022
- Virtualization (Oracle VirtualBox) / Creating Virtual Machines
- Active Directory
- Server Manager
- IPv4 Configuration
- Routing and Remote Access
- DHCP
