Professional Experience

Federal Bureau of Investigation, Los Angeles, CA Senior Manager

2013 — 2024

Steered team of six supervisors, each leading a team of 10 employees, to influence FBI executive policies on transnational and international security matters. Established robust networks with public/private sector leaders to boost risk management and vital intelligence exchange. Commanded Domestic Security Alliance Council, InfraGard, and Domestic Director of National Intelligence initiatives. Oversaw end-to-end projects, including strategic analysis, collection guidance, raw intelligence sifting, and collaborative partner programs, for workforce spanning over 50 professionals.

- Acted as relief supervisor and principal contact for risk-based management, threat analysis, and mitigation strategies.
- Spearheaded acclaimed intelligence production program, consistently attaining gold rating for high performance over six-year period, while performing dual role as Intelligence Program Manager (IPM).
- Reviewed, edited, and approved 200 critical documents annually to ensure accuracy and compliance.
- Enhanced private sector interactions and intelligence sharing by creating strategic partnership teams and pioneering protocols for disseminating crucial reports.

Federal Bureau of Investigation, Washington, DC Senior Manager

2021

Led as Senior Executive Service (SES) Section Chief at FBIHQ/Criminal Division on temporary duty assignment for all analytical tasks concerning violent crimes. Performed editing and authorized all intelligence outputs in section as well as crafted executive summaries for FBI Director's Daily Brief.

- Managed swift development of FBI situational report in response to significant crises, including assassination of Haitian President Jovenel Moise.

Federal Bureau of Investigation, Los Angeles, CA Squad Supervisor & Domain Management Coordinator

2005 — 2013

Directed diverse team to establish comprehensive regional analysis, equating the diverse demographic and infrastructural complexity of a region the size of New York State. Managed cross-programmatic endeavors and resolved vulnerabilities related to key sectors, including defense, nuclear, chemical, telecommunication, critical infrastructure, and 100+ foreign consulates.

- Engaged in reading, editing, and approving 50 documents annually.
- Oversaw synthesis of critical threat intelligence, ensuring gap mitigation and advancement of risk assessments.
- Led strategic forecasting by monitoring environmental variables to guide anticipatory analysis, strengthening situational awareness across multiple jurisdictions.

Federal Bureau of Investigation, Kabul, Afghanistan Intelligence Program Coordinator

2010

Forward deployed to Afghanistan as Branch Manager; collaborating with Afghan, ISAF, and NATO partners to further FBI's overseas intelligence program objectives. Facilitated strategic briefings for senior FBI and DOD personnel, effectively communicating vital information to US Ambassador Eikenberry and other key figures.

- Developed first standard operating procedures (SOP) for FBI Intelligence Operations abroad, a critical framework for ensuring operational consistency and effectiveness.
