

ATTAH MELFORD

Cybersecurity | Computer Science

5157158828 | melford@iastate.edu | www.linkedin.com/in/cyber-melford-45185a2a0

A Detail-oriented and highly motivated Master's degree graduate in Cyber-security seeking a full-time opportunity to apply and enhance skills in information security, network defence, and risk management.

SKILLS

- Scripting & Python, SQL, JavaScript
 - Kali Linux, Windows
 - Leadership Skills, and curiosity
 - firewall and IDP/IPS
 - Vulnerability Management
 - Compliance & Auditing, NIST, SOC2
 - Computer troubleshooting
 - Good Communication skill
 - SIEM tools, Splunk, Wireshark, IBM-QRadar
 - Cloud computing, AWS, Azure
 - Information Protection, Regulatory
 - Incidence Response
- ISO 27001, GDPR

WORK EXPERIENCE

Computer security intern June 2023 - August 2023
Century Startup | Chicago, IL

- Participated in the analysis and resolution of 15+ security incidents, contributing to a 30% reduction in mean time to detect and respond to threats.
- Participation in 5+ computer security training in the organization.
- Assisted in the implementation of security controls and best practices across 5+ network environments, increasing overall security posture by 20%.
- Participated in 3+ penetration testing exercises, identifying critical vulnerabilities, and recommending remediation measures to improve system security.

Computer-security Associate July 2019 - March 2021
Tahmeen Group | Dubai, UAE

- Led a team of 5 to deploy endpoint security solutions, decreasing malware infections by 50% across corporate networks.
- Managed and analysed events from 10,000 endpoints and 500 network devices, using SIEM tools to detect and respond to potential threats.
- Contributed to the compliance audit processes that ensured adherence to GDPR and CCPA, achieving a 100% audit pass rate.

EDUCATION

M.Sc., Computer, and Information system **Aug 2023 - Dec 2024**
Iowa State University (ISU), Ames, IA
Major: Cybersecurity (GPA: 3.4/4.0)
Minor: Software Development
