WORK EXPERIENCE

Marketing Manager/Administrative Assistant

Change Within Reach

September 2024 - Present

- Developed and implemented marketing strategies to increase visibility and attract new clients, utilizing social media platforms and newsletters.
- Managed content creation, scheduling, and analytics for Instagram and Facebook, resulting in increased engagement and follower growth.
- Collaborated with therapists to highlight specialties and services through compelling online profiles/bios, enhancing client connections.
- Coordinated administrative tasks, including scheduling, client intake, and record management, ensuring smooth daily operations.
- Assisted in recruitment efforts by creating job postings and marketing materials to attract licensed and associate-level therapists.
- Streamlined internal communications and facilitated updates to the clinic website, maintaining a user-friendly and professional interface.

Operations/Project Coordinator

VISIONALITY Partners

August 2022 - September 2024

- Co-managed a 300 person conference for children and youth advocates, including raising \$100,000 in sponsorships, coordinating speakers and venue, and marketing the event.
- Researched and responded to RFPs and edited proposal and marketing content.
- Edited and organized web and social media content.
- Assisted Operations Manager with HR and administrative work.
- Coordinated and designed social media posts and stories.
- Assisted project managers on various projects, as needed.

Self Employed/Contractor

Delaney Rose Writes

May 2020 - August 2022

- Worked with a cross-functional team on marketing grants to local businesses during the Covid 19 pandemic.
- Contacted businesses to inform them they were awarded grants to assist during the Covid 19 pandemic and retrieved the necessary documents to help businesses qualify for grants.
- Created press pitches and online/social media marketing to offload 250,000 cookies for Girl Scouts of California's Central Coast.
- Coordinated with local consulting companies hosting events through technical help for attendees as well as running Zoom rooms for speakers and attendees.

Development Coordinator

EVALCORP

February 2020 - May 2020

- Researched and identified new business opportunities via procurement/RFP sites.
 - Led development of new bids/proposals, including writing and editing.
 - Represented the firm in communications with potential clients.
 - Scheduled and organized calls and meetings with new leads.
 - Planned and implemented special projects to improve marketing and new business opportunities (e.g., social media and print marketing efforts).
-

DELANEY RODRIGUEZ

WORK EXPERIENCE

Technical Writer II/Proposal Coordinator

AeroVironment Inc. (AV)

September 2014 - September 2019

- Developed and maintained content to give customers a clear understanding of how to use company products through editing and managing of manuals, user guides, etc.
- Supported successful proposals up to \$50M via editing, producing, and managing content.
- Reinforced brand and reputation of AV through editing and formatting of manuals, proposal material, and other technical documentation, as well as internal and external marketing.
- Wrote and edited proposal material, as well as led review panels for a three-month long effort in the summer of 2015.
- Wrote script, edited content, managed production, and recorded voiceover for training.

Junior Writer

Naval Surface Warfare Center, Command Communications
(Employed by INDUS Technology, San Diego, CA)

October 2012 - September 2014

- Promoted workforce-related events within the command and to the outside community.
- Led the production of 50th Anniversary book through editing, production, and design.
- Produced articles, photos, and captions for internal e-magazine as well as public news sources.
- Answered, directed, and fielded questions regarding command events and naval operations.
- Managed and executed a yearly event in which local middle school students created rockets from regular household products (rubber bands, foam inserts, popsicle sticks, etc.).

University Marketing and Creative Media Intern

California Lutheran University, Marketing Department

January 2011 - May 2012

- Increased undergraduate applications by 16% and summer school enrollment by 15% through outreach and editing of marketing materials.
- Produced, directed, and edited CLU marketing videos.
- Contacted potential students through social networking sites, Ning.com and Facebook.
- Collaborated in marketing campaigns with university departments and vendors.

Freelance Writer/Administrative Assistant

20/20 Network

September 2009 - September 2012

- Researched marketing strategies to assist in clients' growth.
 - Composed press releases and articles for clients.
 - Assisted in organizing and preparing for functions.
-
