DI TAN

UI&UX DESIGNER, SENIOR GRAPHIC DESIGNER, ILLUSTRATOR

SUMMARY

Available since 2/ 17/2025

- 7+ years of senior graphic design experience in digital and traditional marketing, including **enterprise campaigns, branding, and scalable strategies**.
- Skilled in **digital marketing with UI & UX** (websites, mobile apps, social media, e-commerce, email Design) and **traditional advertising** (Catalogue, brochure, packaging, trade shows, and marketing assets).
- Proficient in **motion graphics**, including video editing and logo/font animation.
- 6+ years of **CPG branding** expertise in home appliances, confectionery, pharmacy and consulting.
- Experienced in creating **branding guidelines**, leading teams, and collaborating with **international teams** including Canada and Chinese companies.
- Strong organizational and time management skills, excelling in fast-paced, deadline-driven environments.

PROFESSIONAL EXPERIENCE

Art Creative Lead | 01/2022 - Present

Superprem Industries - PEARL® (Home appliances)

- Defined PEARL®'s **branding guidelines**, including logo design, color palettes, and imagery, ensuring consistent brand identity across marketing materials.
- Designed engaging UI/UX for marketing emails in Figma and Freshsale. Created a B2B PEARL® project website to explore new business opportunities, driving sales and event promotion with user-centric design.
- **Led and supervised** the marketing team to maintain brand consistency across social media and sales operations on **B2B business**.
- Created PEARL®'s product **catalogue in Indesign**, blending aesthetics with functionality to showcase innovations, solidifying their role as a key sales tool.
- Developed PEARL® **project booklet in Illustrator & Canva** featuring warm tones, clean layouts, and quality photos, presenting PEARL®'s offerings and values to potential clients.
- Produced **materials assets** such as sell sheets, packaging, decals, and DXF files collaborating with **Chinese factories**, enhancing brand promotion and supporting sales operations.

UI & UX Designer | 07/2021 - 12/2021

Guildtech Entertainment (Technology)

- Designed UI elements and icons in **Sketch**, creating frameworks and interactive prototypes with **HTML & CSS** to enhance functionality.
- Led marketing and **user research**, developing a **UX pattern** library for consistency.
- Optimized app navigation and architecture in **Adobe XD** for better usability.
- Designed GUILD **website prototypes**, collaborating with the **back-end team** to build a live platform with **payment integration**.
- Provided UX recommendations based on market feedback and data analysis, refining design solutions to help back-end team fixing issues.
- Defined and created **branding & guidelines**, ensuring a cohesive color palette, typography and illustrations aligned with art concepts and audience needs.
- Created **marketing assets**, including ads, motion graphics and opening animation in **After Effects** to enhance brand storytelling.
- Successfully launched the GUILD mobile app on **Google Play** in December.

PROFESSIONAL EXPERIENCE (CONTINUED)

Social Media Manager & Senior Graphic Designer | 08/2020 - 08/2021

Freak Lunchbox (Confectionery)

- Proficient in managing on TK, IG, Facebook Ads, Shopify, Uber and Google Business Store. Created Reel videos, banners, posters and banners for sale promotion and maintain the routines of different platforms.
- Created viral TikTok content in Canva and Premiere, tripling online sales and gaining 10K+ followers (TikTok: Freak Lunchbox).
- Developed and defined the contents and vibe of videos, leading and supervising the team from scripting to filming. Ensured final quality control and successful posting of each video.
- Proficient in e-commerce, specializing in UI and graphic design to enhance branding on platforms like Shopify and Google Business Store. Also responsible for inventory management and overall customer service issues.
- Applied SEO strategies to online media and websites to enhance visibility and traffic.

Graphic Designer | 05/2018 - 05/2020

Right Source Group Limited - SEACOO® (Confectionery)

- Created and defined the branding guidelines for SEACOO®, the company's flagship brand specializing in dried seafood and health supplements. Created mood boards, color palettes, typography, and illustrations to emphasize a clean, organic, and nature-focused brand identity.
- Designed packaging for seafood products, marketing brochures, and SEACOO® website UI & UX design on Wordpress. Produced manufacturing and harvesting videos while managing SEACOO®'s social media presence. Ensured the branding concept was consistently applied across marketing materials and sales operations.
- Focused on the Asian market, particularly Korea and China. Collaborated with the Chinese branches to support sales operations and provide marketing assets for global promotion.

Freelancing Graphic Designer | 03/2017 - 04/2018

Enterprise Logo Design

All-Lane Immigration (Consulting)

- Designed the logo for a growing immigration consultancy, serving as the core of its brand identity across print and digital platforms.
- Crafted a logo that reflects professionalism, success, and bright futures, symbolizing both client aspirations and the company's vision. Successfully applied across signage, social media, brochures etc..

Poster Design

Cafe Tayaki 52 (Restaurant)

- Designed a seasonal summer splash beverage poster for my favorite café-restaurant, leveraging my design skills and background.
- Developed the concept to create a vibrant summer atmosphere, directed the photoshoot, and ensured brand consistency in the final poster design.

Book THE TALE OF LITTLE MR. MOUSE AND HIS TAIL (Publisher)

- Designed the layout, typography, and illustrations for a children's book that teaches Turkish and Arabic children speaking English through a series of Bible stories.
- Created the book cover and back cover, ensured the layout and content met publishing standards.
- The book is published and available on Amazon.
