Dear Hiring Manager

I keep growing my experience and knowledge and also contributing to the growth and success in the actual organization, I am seeking new challenges with a company in need of someone with exceptional planning, leadership, and management abilities.

My extensive experience analyzing, selecting and modifying enterprise systems and then guiding it to new performance levels and my ability to analyze needs and create unique solutions designed to yield a profitable outcome is my greatest strength.

As evidenced in the enclosed resume my experience encompasses installing network hardware and software, and managing budgets, project management, strategic planning, resource utilization and cost reduction, will be an asset to your organization.

I welcome the opportunity to meet with you and discuss the needs of the position and my qualifications in more depth. Thank you in advance for your consideration, and I look forward to hearing from you regarding next steps

Thank you for your time.

Respectfully,

Hugo Maya
