Missouri City, TX

SUMMARY:

- **Results-Oriented Professional:** 18+ years of expertise in HTML, CSS, and SEO strategies, driving web performance and optimization.
- **Web Development Expertise:** 15+ years in WordPress development and 7+ years in Drupal, managing end-to-end website architecture and content migrations.
- **Content Design and Optimization:** Proven ability to execute complex projects, including AI-based chatbot integration, accessibility enhancements (WCAG), and website migrations.
- **SEO & Analytics:** Advanced skills in SEO, Google Analytics, and CMS platforms, focusing on optimizing content performance, user experience, and engagement metrics.
- **Accessibility Standards:** Adept at creating and editing web content that meets plain language and accessibility standards for diverse audiences.
- **ServiceNow Certified:** ServiceNow System Administrator (CSA) certification with hands-on experience from the RiseUp program, applying best practices in workflows and process optimization.
- **Independent Contractor Focus:** Seeking a contract role leveraging ServiceNow expertise, web content development, and process optimization in a self-directed environment with minimal client interaction.
- **Results-Driven Approach:** Thrives in roles emphasizing measurable outcomes, streamlined workflows, and impactful project execution.

EXPERIENCE:

State of Iowa (Des Moines, IA - Remote)

October 2023 - January 2025

Web Content Architect

- Streamlined content migration and optimization for 80+ Drupal websites, boosting readability to an 8th-grade level and reducing content volume by 30%.
- Deployed SEO strategies leveraging Google Analytics, Google Tag Manager, and Google Search Console, elevating search visibility and driving user engagement.
- Led web accessibility remediation efforts to align with WCAG standards, maximizing compliance and enhancing usability.
- Designed and implemented content workflows for chatbot integration, streamlining user interactions and enhancing functionality.

Assurant, Inc. (Atlanta, GA - Remote)

October 2022 - Present

Business Information Content Designer

- Oversee 30–60+ ServiceNow content design tickets monthly, guaranteeing timely resolution, optimizing process efficiency, and maintaining high-quality standards.
- Create and publish detailed procedures, guidelines, and job aids in Helpjuice, streamlining operational workflows and clarifying documentation.
- Conduct rigorous quality assurance on documentation, ensuring compliance with WCAG accessibility standards and internal guidelines.
- **ServiceNow RiseUp Program Graduate:** Acquired and applied CSA skills, earning certification and driving process improvements through advanced ServiceNow expertise.

Resume of Janine Archer

page 2 of 3

Fujifilm (Valhalla, NY - Remote)

September 2022 - March 2023

Web Content Developer

- Maintained and improved internal and external web presences for 25+ divisions using WordPress and Drupal, ensuring seamless functionality and alignment with business goals.
- Implemented SEO best practices, optimized plug-ins and modules, and enhanced web performance to increase site visibility and usability.
- Conducted comprehensive web quality assurance, resolving broken links, metadata inconsistencies, and accessibility gaps to improve user experience and compliance.

Self-Employed (Houston, TX)

July 2011 - Present

Web Designer & Developer/Video Producer & Editor (Freelance)

- Crafted and optimized websites for 30+ clients, enhancing SEO performance by 25% or more through strategic keyword targeting and metadata refinement.
- Produced dynamic marketing materials, videos, and UI/UX prototypes with Adobe Creative Suite and Adobe XD, boosting brand visibility, audience engagement, and usability.

Beyond Campus Innovations (Denver, CO - Remote)

May 2019 - May 2020

Multimedia Designer

- Developed 15+ interactive online courses using HTML5, CSS3, JavaScript, and tools like Articulate360 and Camtasia, delivering engaging e-learning experiences.
- Implemented quality assurance checklists and integrated innovative design elements into LMS content, achieving near-zero error rates and improving student engagement and learning outcomes.

OMG National (Plantation, FL)

December 2016 - May 2017

WordPress Designer/Developer

- Conceived and built modern, responsive websites and mobile layouts for 50+ clients using WordPress themes and plugins, meeting project specifications and client needs.
- Troubleshoot and resolved complex PHP, MySQL, and CSS issues for WordPress and Drupal websites, ensuring optimal functionality, performance, and scalability, while optimizing asset management through Pardot, boosting efficiency and reducing access times by 20%.

EDUCATION:

Montclair State University (Upper Montclair, NJ)

Bachelor of Science, Business Administration

Conferred December 2005

Western Governor's University (Salt Lake City, UT)

Bachelor of Science, Cybersecurity and Information Assurance
