April 2019 – January 2020

- Conceptualize client's ideas/sketches to create pitchbooks with/without macros in PPT, very heavy graphs and charts in Excel and PPT, Tracing. Recreation logos in Adobe Illustrator and image retouching in Adobe Photoshop.

I believe that design is not just about creating beautiful visuals, but also about solving problems.

With over 20 years of experience in the industry, I've worked with clients from various sectors, including pharmaceuticals, financial printing, and asset management industries.

My areas of expertise include branding, packaging design, and UI design. I'm passionate about collaborating with clients to create designs that are not only visually appealing but also achieve their business goals.

I'm always learning and experimenting with new design techniques to keep my work fresh and innovative.

Prestige Brands – Packaging Designer/Production Artist
