PROFESSIONAL EXPERIENCE

04/2022 - 03/2024 | Project Manager @ Blue Stone Solution, Myanmar

- Led cross-functional teams (Dev, BA, QA, Consultants) for microfinance and odoo ERP integration and data migration project and insurance mobile project, with a budget of \$150,000 each.
- Led scrum meetings to track progress and address blockers and align 8-10 resources across multiple teams.
- Worked with BAs to collect requirements, prepare business solution documentation, and translate them into project activities and deliverables.
- Reviewed documents and aligned QA testing strategy to align with client and organization's needs, ensuring quality.

Achievement: Project was delivered with no major delay and received positive feedback from client during post project survey for issues resolution, collaboration and stakeholder management skills.

04/2018 - 10/2019 | Project Manager/ Key Account Manager @ RITZ Cyber Security and Intelligence Services, Myanmar

- Managed IT infrastructure, penetration testing, and web application projects, collaborating with various teams of up to 13 members and stakeholders varying from government to enterprise.
- Implemented Smartsheet for project tracking, reducing follow-up time and increasing project visibility.
- Created standardized project documentation (sign-off, change requests and project charters) and coached 2 jr PMs, improving efficiency and team's capability.

Achievement: A key account awarded an additional project based on the positive feedback of my project management and collaboration skills.

01/2017 - 04/2017 | Project Manager @ Myanmar Information Technology, Myanmar

- Managed multiple IT systems (Patient registration, POS, queue, Patient Record System) implementation to solidify into a single solution of Hospital Information Management system.
- Worked with team leaders on project activities and maintained close connection with project's key personnel to identify and resolve on-site issues quickly.
- Assisted end-user training during testing for other project manager.

Achievement: Delivered Hospital Information Management system with no major delays or issues.

12/2014 - 12/2016 | Service Consultant @ A-Host International (Myanmar), Myanmar

- Coordinated a \$250K data center project, aligning between Thai Project Management Team, vendors, and clients.
- Overviewed the risk from the local side and worked with the PM and management for mitigation plans.
- Worked closely with the application team and engineer for customer visits for other projects.

Achievement: Successfully delivered the data center project with minimal issues, and led 2 small projects (total estimated \$100,000) after the DC project's delivery.

09/2013 - 11/2014 | Level 1 Local Support @ JC Consulting, Myanmar

- Provided Level 1 support for Web Application Firewall (iMPERVA), troubleshooting and updating policies.
- Liaised with tax consultants and developers to ensure accurate software functionality and testing.
- Ran payroll services and transitioned to a new team of 3 later while still assisting the team with client facing matters.

Achievement: Created excel template for payroll service and ran the operation, achieving 50% more headcounts later on.

ADDITIONAL PROFESSIONAL EXPERIENCE

- 12/2024 - PRESENT | ESL Program Volunteer Teacher
- 07/2021 - 08/2021 | Covid-19 Emergency Call Center Volunteer Manager
- 11/2020 - 02/2021 | Business Development Manager @ myDeli Logistics, Myanmar
- 02/2020 - 09/2020 | Teleconsultant @ Nestenn Menton, France

CAREER BREAK

- 02/2021 - 03/2022: One-year hiatus due to political unrest in Myanmar. Utilized the time to achieve a PMP certificate.
- 05/2017 - 03/2018: One-year break and continued 2 nd year university. Achieved CAPM certificate during the period.
