## UI/UX Designer

Email: pradnya.s@jobsdesire.com| Mobile: 812-785-1468 | Location: IN | Portfolio

### SUMMARY:

UI/UX Designer with 3 Years of Experience as a Creative and detail-oriented UI/UX Designer skilled in crafting user-centric interfaces using tools like Figma, Sketch, Adobe Creative Suite, and prototyping platforms. Experienced in user research, wireframing, and creating seamless user flows with strong technical proficiency in HTML, CSS, JavaScript, and ReactJS. Proficient in usability testing, design systems, and responsive frameworks like Bootstrap, delivering scalable designs aligned with Material Design and Human-Interface Guidelines. Adept at leveraging cloud services (AWS) and version control tools (GitHub) to bridge design and development, driving impactful digital experiences.

### SKILLS:

**Design:** Figma, Sketch, Invision, Anime, Lottie, Framer, Balsamiq, Photoshop, Illustrator, Dreamweaver, Material Design, Human-Interface Guidelines, Storyboarding, Information Architecture, UX Prototype, Concept Design, Visual Design, Usability Testing, Design Documentation, Cognitive Psychology, UX Writing, Design Systems, Adobe After Effects, Adobe XD, Adobe Experience Manager, Web flow, InDesign, Miro, Notion, Protopie, Procreate, Principle

**Research:** User Interviews, Surveys, Competitive Analysis, Participatory Design, User Flows, Contextual Enquiry

**Technical:** HTML, CSS, SASS, JavaScript, jQuery, XHTML, AJAX, JSON, ReactJS, Redux, Node.js, NextJS, Express JS, AngularJS, C, C++, Python, Git

**CSS Frameworks:** Bootstrap, Twitter Bootstrap

**CMS:** WordPress

**Cloud Services:** AWS (AWS EC2, S3)

**Version Control/Software:** GitHub, Jira

**Operating Systems:** Windows, Linux

### EDUCATION:

|                                                                                                                                       |                  |
