Technical Writer

15Jul2024 – 4Oct2024

First Command Financial Services, Fort Worth, TX

- Writing and updating work instructions for NetX360+.
- Assisting with the layout and design of the landing page.
- Communicating with Brokerage and Traders to ensure the work instructions were assessable to all skill levels.

Technical Writer

1Mar2023 – 16Jan2024

Samsung HVAC, Roanoke, TX

- Created WI for all Warehouse operations, leads, Account Reps., Managers, and Customer Support
- Collaborated and documented a complete revision of the Roles and Responsibilities for the Warehouse Staff.
- Ensured everyone received proper WI for the assigned roles and preserved documentation and a training chart for all Warehouse operators.
- Collaborated with all Leads to ensure the training and information they received and the knowledge they gained on the job was passed along to all future operators.
- Hands-on experience with an in-house management system for ensuring the accuracy and status of every order.
- Worked with a variety of skill sets and backgrounds to reduce the knowledge gap between operators, leads, Managers, Acct Reps, and IT.

Technical Writer

3Mar2022 – 21Oct2022

Medtronic, Fort Worth, TX

- Assisted CAPA owner on Root Cause Analysis and Remediation activities.
- Collaborated (co-owner) of a DMAIC to improve quality requirements and their documentation.

- Ensured document and material organization by designing and developing file management systems.
- Worked with SMEs to create training (blended learning materials) to improve self-study aspect and reduce burden on SME trainers.
- Hands-on experience with software driven equipment used for manufacturing medical devices.
- Worked effectively with colleagues in many functional areas; worked across the matrix with engineers, production personnel, SMEs and management.

Sound Editing Intern

5Aug2021 – 15Dec2021

Arlington Public Library, Arlington, TX

- Wrote historical transcripts to aid in preserving the history of African American lives in Arlington Texas
- Compiled accessible transcripts and key term word lists for all of the Arlington Stories Oral Histories (ASOH), Echoes/Arlington Black History Community Archive (ABHCA)

Office of Information and Technology Intern

5Jun2021 – 15Aug2021

University of Texas at Arlington, Arlington, TX

- Wrote time-sensitive material to inform UTA faculty and staff of critical updates coming to Microsoft 365 and Teams.
- Redesigned the Sitecore training manual to support faculty, staff, and student workers in maintaining all UTA public-facing websites.
- Proofread and provided insight into the curriculum for a course on accessible content for UTA staff.
- Created accessible documents using Microsoft Word for a variety of communication materials to support crucial Office of Information and Technology (OIT) Projects including Endpoint Management and External Email Notifications.
- Brought a fresh perspective to OIT by providing valuable feedback from a student's view.
