SAP America Inc. Miami, Florida USA

2011 – 2024

Business Development Manager – Solution Architect SAP HANA & SAP S/4HANA

Function as an effective member of the Global Partner Solution Adoption, with the critical tasks of overseeing the Intelligent ERP partner enablement on-premise and in the cloud. Focusing on top SAP Partner, creating based on the business case an execution plan for an installed base customer, new customer business and getting ready to transform the business to the Intelligent Enterprise.

Provide expert leadership in delivering The Intelligent Enterprise workshops, SAP Partner Value Academy and Value Case Workshops, Intelligent Enterprise Deployment Options workshops, SAP HANA webinars; SAP S/4HANA Technical workshops; SAP Fiori User Experience workshops; S/4HANA Migration Cockpit workshops.

- Changed the mindset by providing the Customer Value Story in Chile, Colombia, USA and Brazil. The teams analyzed Customer Circumstances, provided Customer Project Scope, and prepared the Value Assessment & Proposition, including the Return on Investment.
- Coaching partner with Intelligent ERP Proposals with Scoping and System Architecture, Pricing of SAP Licensing & Project Effort and Infrastructure, Value Assessment & Proposal, and Return on Investment.
- Leading the team and contributing to the SAP ERP 6.0 conversion to S/4HANA program in North and Latin America. The program is called SAP 10Steps2S4 - Americas and is delivered 100% virtually. Since 2017, we have run the program 15 times; the SAP Partner teams with 1443 participants have completed 90 ERP 6.0 system conversions to S/4HANA.

- Conducted Fiori User Experience workshops, preparing Fiori Demo with embedded Analytics and guiding teams with presentations and selling skills.
- Performed S/4 HANA Cloud Sales, Presales and Implementation Boot Camps.

Director, Small and Midsize Enterprises (SME) Solution Portfolio**2009–2011**

Served as an integral part of the E&C Solution Center Latin America, with responsibilities of managing the partner enablement with a preconfigured package approach, such as fast start and rapid deployment solutions (RDS)

- Facilitated the training, guidance, and coaching of selected SAP partner in the entire customer project lifecycle until the project implementation.

SAP Switzerland AG, Biel**2008–2009****Director, SME Solution Portfolio, Business Development**

Rendered oversight to the Fast Start Program (FSP) enablement in the Asia Pacific Japan (APJ) and Latin America region. Directed the professional training and enablement of the Solution Center APJ and Latin America, along with the SAP subsidiaries and their selected SAP partners for FSP in various APJ countries (India, China, Malaysia, Korea, and Singapore), and Latin America countries (Argentina, Brazil, Mexico, and Colombia)

Business/Solution Architect**2000–2008**

Served effectively as the leading member in the “SAP-in-a-Box” project, with several responsibilities including: Worked as a part of the A1S Tiger Team, responsible for the A1S ME launch project in the work stream product. Took charge of entire projects, along with the implementation of the SAP portal, project system, and business information reporting.

- Successfully administered more than 80 deals with a win rate of 70%
- Functioned as an effective project manager and consultant at Fachhochschule Aargau; achieved 25 users within three months. Conducted selling and implementation with a small project team of three resources while handling the whole project.
- Completed a six-month assignment in SAP Australia in 2007

LANGUAGES

Fluent in English, German & Swiss-German

US Citizen

Since August 2019 I have been a US Citizen.

VOLUNTEER ACTIVITIES

Head of Swiss Civil Defense Organization: After finishing my active part in the Swiss Army, I joined the Swiss Civil Defense Organization, which is in charge of protecting the civil population. I was for three years the head of 7 towns with around 5500 people.

Soccer Player & Coach: I started my career when I was five years old when I joined the soccer club. I have played soccer for almost 30 years, and very proud; I have been a soccer player for the U16 Swiss National Team. I was the defense leader and organized the defense. Still watch European Soccer games, mainly the English Premier League and support the Liverpool Football club, YNWA!
