About Me

I'm a self-taught creative designer based out of Seattle with over **7 years** of experience in branding, UI/UX, and motion design. My journey began in college, where I discovered my passion for visual storytelling and since then, I've worked with companies like YouGov and Trove Experiences, leading design initiatives across global markets.

Also, when an interesting project comes by, you'll find me freelancing under the alias 'The Loud Minimalist'.

Experience

Freelance Creative Director

Seattle, USA

The Loud Minimalist

2024

- Ideated and developed the brand identity for Tenacious, an up-and-coming restaurant, including logo design, tagline creation, and cohesive visual themes for interior and exterior spaces, aligning the brand with its local roots.
- Designed staff uniforms, menus, and branded merchandise to create a seamless customer experience across all brand touchpoints.
- Crafted marketing collateral to generate a buzz around the launch, resulting in positive early reception and strong local foot traffic during the opening weekend **surpassing the sales goal by 30%**.
- Developed strategic brand assets to support future campaigns, positioning Tenacious for long-term audience engagement and community growth.

Senior Designer

Mumbai, India

YouGov

2022 - 2023

- Led creation of **50+ high-impact presentations** for senior stakeholders and product teams, aligning visuals with business goals.
- Produced over **100+ motion graphics, GIFs, and infographics** annually, translating complex datasets into engaging visuals for reports, white papers, and social media campaigns.
- Directed a global team of 4 designers**, specializing in data visualization and branding, delivering cross-functional projects across Europe, Asia, and North America.
- Managed internal and external website redesign initiatives during key acquisitions, driving employee alignment and improving client engagement across platforms.

Communications Designer

Pune, India

Trove Experiences

2020 - 2022

- Played a key role in the brand's growth, with the number of experiences offered **increasing from 6 to 36**, supported by my foundational UI/UX design for their website.
- Conceptualized and executed a multi-channel marketing campaign that showcased Trove's visual identity, resulting in a **30% increase** in brand engagement and a **25% growth** in social media followers within three months.
- Developed pitch decks and presentations that enhanced corporate engagement.

Graphic Designer
