Professional Summary

Highly motivated, team oriented world traveler willing to go the extra mile to fulfill the expectations of every endeavor while striving to improve with each new experience.

Authorized to work in the US for any employer

Work Experience

Technical Support Analyst

InflowCX-Remote
April 2022 to Present

As a technical support analyst for InflowCX my team and I assist many companies with their phone servers. We assist with multiple different products such as; Mitel, Genesys, RingCentral, Five9, and Zoom.

Sorter

Cargo Largo-Kansas City, MO
June 2021 to April 2022

As a sorter for Cargo Largo we sort through all of the products that our company purchases from various other companies. We divide everything into their respective categories to be resold or donated all across the US.

Auto Handler

Traditional Logistics And Cartage-Kansas City, MO
August 2020 to April 2021

As Auto Handlers we load and offload new vehicles from dealerships onto train cars. We are entrusted with the operation of the vehicles as well as moving the heavy equipment needed to load the train cars.

Team Over The Road Driver

Pam Transportation
January 2020 to May 2020

OTR team driver with a CDL A that transported merchandise such as Nissan car parts and toilet paper to stores/warehouses from coast to coast during the COVID-19 pandemic.

Modular Team Associate

Walmart-Liberty, MO
January 2018 to November 2019

The Modular Team was a small number of associates that worked on remodeling the store essentially; duties included organizing and cleaning specific areas making sure there was room to put the new freight that came in daily.

Chemical, Biological, Radiological, and Nuclear Specialist

Military (ARMY)-Stationed- South Korea and Colorado

July 2014 to December 2017

While serving in the US Army I was put into a leadership position which consisted of training my teammates as Chemical, Biological, Radiological and Nuclear specialists, urging them to be all they could be with first-rate results.

Seasonal Shipping and Receiving Clerk

Bison ProFab-Magnolia, TX

May 2013 to August 2013

Seasonal shipping and receiving clerk; duties included cleaning, stacking, wrapping, strapping and labeling product to prepare for shipment, then loading on trucks with a fork lift and unloading trucks as needed.
