EDUCATION

Master of Science in Computer Science

Jan 2023- Dec 2024

University of Texas at Arlington, Arlington, TX

Bachelor of Technology in Computer Science

Aug 2017- Aug 2021

Sreyas Institute of Engineering and Technology, Hyderabad, India

TECHNICAL SKILLS AND CERTIFICATIONS

- **Front-End:** HTML5, CSS3, JavaScript, TypeScript, React.js, Angular, Bootstrap
- **Back-End:** Node.js, Express.js, RESTful APIs, Backend Data Processing
- **Database:** MySQL, MongoDB, SQL Server, Oracle
- **Visualization Tools:** Tableau, Matplotlib, Seaborn
- **Programming Languages:** Python, SQL, JavaScript, TypeScript, Java, C, C++
- **Data Science & Analytics:** Regression, A/B Testing, Hypothesis Testing, Data Cleaning & Preprocessing
- **Dev Tools:** Git, Visual Studio Code, Eclipse, Anaconda
- **Cloud & Security:** Azure, AWS (Basic), CI/CD Pipelines, JWT Authentication
- **Methodologies:** Agile, Scrum, Test-Driven Development (TDD)
- **Soft Skills:** Leadership, Team Collaboration, Communication
- **Certifications:** AZ900, SC900, CLA in C, Google Data Analytics Professional

PROFESSIONAL EXPERIENCE

Intern, MYJ INC. / BAD KIDS KORPORATION, Remote

Jul 2024 - Aug 2024

- Elevated e-commerce and content-driven web platforms, reducing page load time by 25% and increasing user engagement.
- Created 10+ reusable React components, enhancing maintainability and UI consistency.
- Executed usability testing and implemented accessibility improvements, boosting usability scores by 30%.

Application Development Analyst, Accenture, Hyderabad, India

Aug 2022 - Dec 2022

- Spearheaded front-end development for enterprise applications, optimizing UI performance and reducing load time by 20%.
- Engineered and tested reusable UI components using React.js, TypeScript, and Jest, improving test coverage and maintainability.
- Partnered closely with UX/UI teams to enhance application responsiveness across mobile and desktop platforms.

Application Development Associate, Accenture, Hyderabad, India

Aug 2021 - Jul 2022

- Developed scalable in MEAN stack development (MongoDB, Express.js, Angular, Node.js) and built scalable front-end applications.
- Contributed to the NYLIM life insurance project, improving data visualization using React.js and TypeScript.
- Refined in unit and integration testing, reducing bug occurrences by 15%.

ACADEMIC PROJECTS

University Course Management System

Aug 2024 – Dec 2024

- Designed a React.js-powered LMS for seamless course creation, student enrollment, and assignment management.
- Integrated ChatGPT-powered AI to generate interactive quizzes from PDFs, enhancing student engagement.
- Developed a secure file storage system with role-based access controls, ensuring data integrity and compliance.
- Implemented a badge system (Bronze, Silver, Gold) to reward student achievements and an automated grading system for assessments.

URM Application

Jul 2023 – Aug 2023

- Built a React-based web application to simplify the application process for URM candidates pursuing PhD, postdoc, and faculty positions.
- Boosted form validation mechanisms and streamlined API requests, achieving a 30% reduction in processing time while ensuring robust data input integrity across the React-based web application for aspiring academic candidates.
- Strengthened accessibility and user experience, promoting diversity and inclusivity in academia.

Search Engine with TF-IDF

Jul 2023- Aug 2023

- Constructed a Python-based text search engine using TF-IDF for ranking and retrieving relevant documents.
- Optimized search algorithms, reducing query processing time by 40% for large datasets.
- Refined search efficiency with improved indexing and ranking mechanisms.

AWARDS AND LEADERSHIP EXPERIENCE

- **Gold Medal for Academic Excellence, Bachelor's Degree:** Awarded for outstanding academic performance in the third semester.
- **Excel Campus Activities Volunteer:** Assisted in planning and running student engagement programs for three semesters.
- **Certificate of Achievement & Scholarship:** Awarded a \$100 scholarship for outstanding event participation in Excel.
- **Superlative Award – "Bubbles" Award:** Recognized for maintaining a consistently bubbly presence in Excel.
- **Site Leader, The Big Event:** Led a team of volunteers to execute community service initiatives successfully.
- **Maverick Advantage Award:** Recognized for exceptional performance in my master's program.
- **Best Grad Photo 2024 Winner:** Awarded for the best graduation photo.
- **Professional Skills Academy:** Completed training in professional behaviour, teamwork, and workplace ethics for career readiness.
