WORK & RESEARCH EXPERIENCE

Carnegie Mellon University

Research Assistant; Supervised by: Prof. Robert E. Kraut, Prof. Haiyi Zhu, Prof. Sherry Tongshuang Wu

Pittsburgh, PA

Aug 2024 – Present

- Curated and managed a structured database in Google BigQuery, optimizing data ingestion and segmentation for efficient storage and retrieval of 800K+ utterances. Enabled scalable LLM evaluation and model refinement to power the Virtual Patient Agent for psychotherapy training.
- Fine-tuned GPT-4o model and prompts, improving virtual patient realism and automated trainee feedback. Increased model accuracy to 86%.
- Enhanced the AI-driven assessment, refining immediate feedback accuracy, long-term performance tracking, and personalized coaching.

PLUS - Personalized Learning Squared

Product Manager/Project Owner Intern

Pittsburgh, PA

May 2024 – Present

- Led the “Strategy Revamp” project, conducting user interviews to uncover content and communication gaps in the Strategy feature, and defined AI-powered enhancements to improve personalization and tutor engagement.
- Spearheaded the “Session Reels” project, leading a cross-functional team to enhance resource allocation, tutoring quality and user engagement.
- Conducted technical assessments with engineers and product leads to proactively address challenges and facilitate seamless implementation.
- Designed AI Tutor Coach features, achieving a 75% reduction in evaluation time for tutor supervisors.
- Persuaded stakeholders to support AI Tutor Coach features by creating storyboards showcasing UX improvements and measurable benefits.

Bobolink AI

Product Manager (Contractor)

New York, NY

Jan 2024 – Aug 2024

- Defined initial product scope for Bobolink Educational AI tool, designed to assist data specialists in enabling just-in-time learning.
- Led strategic pivot to an AI tutor chatbot, negotiating with leadership to align on risks and costs.
- Managed team through transition, streamlining 60% previous designs to reduce costs while enhancing functionality and user engagement.

PwC

Technical Support Intern

Beijing, China

Dec 2020 – Mar 2021

- Contributed to learning analytics efforts, performing data analysis that increased the effectiveness of L&D programs, resulting in a 20% rise in course completion rates
- Developed web-based e-learning materials, utilizing authoring tools to create engaging content for professional development courses.

Burson Cohn & Wolfe

Brand Experience Designer Intern

Beijing, China

Jun 2020 – Sep 2020

- Collaborated in crafting and executing impactful presentations for clients, General Electric and Shell, enhancing PR images.
- Supported team collaborations to refine creative solutions, integrating competitive analysis to elevate brand messaging.
