

DONNA PILCH – PMP Candidate

donnapilch@hotmail.com (919) 641-4566

TECHNICAL WRITER & COMMUNICATIONS PROFESSIONAL

Results-driven self-starter with 20 years of experience. Expertise includes:

- Write and design multimedia communications for global target audiences.
- Research, write, edit and design technical and process documentation for technology solutions.
- Manage projects in Agile environments, working with global stakeholders under tight deadlines.

PROFESSIONAL EXPERIENCE

TOSHIBA – DURHAM, NC

2022-2025

Senior Technical Writer

Began in February 2022 as a communications strategist, developing communications targeted for global employees. Transitioned to Senior Technical Writer on the ELERA® commerce platform for retailers in May 2022. Authored the ELERA Operations User Guide and related content for clients, using Office, Markdown, Git, Confluence, SQL Server, Adobe and Acrobat. Aggregated and managed multimedia content in Service Now and Confluence, serving as the Project and Quality Control Leader on a global team.

CISCO – MORRISVILLE, NC

2019-2020

Communication Specialist and Project Leader on the Advanced Cisco Experience team, focusing on Cisco Webex, IoT and security solutions. Wrote, designed and managed co-branded partner campaigns for Cisco solutions. Earned the Cisco Ninja White Belt Security Certification. Aggregated multimedia content from global stakeholders, and served as the Quality Control Communications Leader on the ACE team.

THE HOME DEPOT – Wake Forest, NC

Appliance Sales Associate

Sold \$250,000 worth of national brand home appliances, including GE, LG, Samsung, Maytag. 2018-2019

Consultant

2017-2018

Developed 19 global sales leads for a life science corporation in just two weeks, using a database that had not been updated in five years. Developed a comprehensive go-to-market plan for a smart-phone charger start-up. Brand Ambassador for LG appliances; sold \$10,000 worth in one day.

XEROX – Raleigh, NC

Customer Care Representative

2013-2016

Fielded 50-60 calls daily from healthcare providers and helped resolve multi-million-dollar insurance claims.

Consultant

2010 to 2013

Performed short- and long-term projects, including developing a comprehensive go-to-market plan and process documentation for cloud computing start-up 6fusion, an IaaS utility model, from requirement phase to design and implementation. Teamed with internal and external stakeholders to create product specifications, user guides and pricing models. Utilized Google Analytics and A/B testing to increase web sales.

NORTEL NETWORKS – Research Triangle Park, NC

2008 to 2009

Campaign Communications Manager

Developed and executed North America Unified Communications on and offline marketing plan with internal and external stakeholders, with web, press, collateral, investor briefings, advertising, internal and external communications, event messaging, sales and channel partner communications.

- Positioned company as the leader in unified communications by developing content for integrated media, collaborating with national Nortel teams.
- Delivered a 44% increase in IP upgrade revenue in 2008 through timely and consistent communication to sales and customers. Communication included digital marketing campaigns targeting new prospects.

Continued...

Proactively identified new markets for Nortel. Secured free exhibit at Urban Land Institute Annual Convention (a \$5,000 value), enabling company to compete with leading competitor (Cisco) for new commercial real estate building customers. Result was 19 qualified leads resulting in a sales funnel of \$1.2M.

GFI SOFTWARE – Cary, NC

2006 to 2007

Channel Marketing Manager

Promoted nine software solutions throughout North America using integrated media and working with channel partners and sales teams to increase sales. Created and executed U.S. on and offline marketing, media and sales plan for GFI and its value-added resellers.

OPUS CORE PHARMACY MANAGEMENT SYSTEMS – Hauppauge, NY

2001 to 2005

Marketing Director

Established the marketing department of this pharmaceutical software company targeting pharmacy, physician practice, managed care, and hospital organizations.

Played an instrumental role in establishing a national presence and customer base for this regional company through high-impact, cost-effective on and offline marketing and branding strategies. Minimized advertising expenses by designing multimedia marketing materials in-house.

- Forged partnerships with leading healthcare conferences and publications, resulting in complimentary advertisements, editorial, mailing lists and conference passes.

DESKTOP NEWS – New York, NY

2000 to 2001

Marketing & Sales Manager, Internet and Intranet news ticker CRM application

Launched, marketed, promoted, and sold Desktop News Internet and Intranet software application to a broad spectrum of Fortune 500 organizations in vertical markets and helped increase consumer downloads of the Internet model from 85,000 to over 300,000 subscribers.

- Formed marketing partnerships with conferences and magazines that resulted in \$90,000 in free marketing via trade shows and print advertising and promoted consumer application to 150,000 subscribers worldwide.

WASSERSTEIN PERELLA'S DAILY DEAL – New York, NY

1999 to 2000

Marketing Manager

Launched, promoted, and branded the Wall Street publication *The Daily Deal* to international financial, legal, technology, and real estate communities. Designed and executed multimedia marketing strategies.
