PROFESSIONAL EXPERIENCE

Duke University Health System

2018-present

Clinical Pharmacist | Willow Principal Trainer

Certified in Epic Willow Inpatient (WIP) and Willow Ambulatory (WAMB). Train all pharmacists and pharmacy technicians on how to use the Epic EMR. As part of the WAMB implementation team, oversaw all training; collaborated in directional, operational, and technical meetings; completed Epic certifications; built and customized Epic training environments; planned and coordinated training phase with pharmacy leadership; presented to leadership, IT, and clinical pharmacist teams; developed system-wide learning documents for pharmacy teams as well as providers and nurses; and assisted at go live.

Key Accomplishments:

- Completed Epic Certifications in WAMB Build, WAMB Curriculum, WIP Build, & WIP Curriculum
- Designed training curriculum and built training environment for WAMB implementation
 - Trained over 90 end users for WAMB go live
 - Consolidated WAMB training from multiple user tracks and two day sessions into a single 6 hour class for all users to optimize scheduling and reduce labor expenses
- Designed and built over 25 case patients in the Playground for the Pharmacy Residency Program
- Training lead on implementation of Microsoft 365 Copilot to DUHS nursing leadership with specific leadership-defined use cases
- Presented monthly to DUHS Pharmacy Governance Council and Senior Leadership
- Serve on Pharmacy Education Committee
- Served on Retail Pharmacy Governance Committee
- Assisted with Joint Accreditation in collaboration with Interprofessional Education Center (IPEC)
- Facilitator for UNC ESOP PY4 Seminar course for Durham Region
- Built Willow Inpatient and WAMB training environments during scheduled rebuilds
- Created Specialty Pharmacy training program
- Stork Labor and Delivery Trainer

Harris Teeter Pharmacy

2005-2018

Pharmacy Manager (2008-2018), Harris Teeter #224, Durham, NC

Responsible for daily operations of seven staff members. Oversaw the set-up, NCBOP permitting, and opening of the new pharmacy. High performing pharmacy manager as supported by scorecards, annual reviews, and audit results. Conducted all inventory cycle counts.

Key Accomplishments:

- Launched new Harris Teeter Pharmacy #224, including NCBOP permitting
- Built solid customer relationships and delivered exceptional service
- Cultivated a network of physicians that referred an average of 20 new patients monthly
- Sales of \$80,000 and filled 1000 prescriptions weekly

- Achieved Exceeds Expectations on many quarterly scorecards
- Trained new hires on software systems (EPRN and Cerner Etreby) and pharmacy policies
- Implemented medication therapy management and vaccine programs

Pharmacy Manager (2006-08); Staff Pharmacist (2005-06), Harris Teeter #112, Cary, NC
Fulfilled customer prescription needs while supervising a staff of four employees.
