PROFESSIONAL EXPERIENCE

Global Project Manager - People BPR Group

Apple, Cupertino, California | January 2022 - August 2023

Implemented strategic initiatives to improve processes and drive efficiency by collaborating with cross-functional teams. Created customized solutions while leading teams toward exceptional quality and productivity.

- Spearheaded strategic initiatives by enhancing workflow efficiencies and driving operational excellence across cross-functional teams, aligning projects with organizational goals.
- Managed the global rollout of the Workday HR platform, streamlining processes and elevating user experience for over 154,000 employees in 28 countries.
- Developed comprehensive project plans and processes, ensuring alignment, clarity, and timely execution of objectives across diverse stakeholders.
- Directed creative development workflows, including comprehensive briefings, milestone tracking, and executive-level presentations, to maintain strategic focus and deliver exceptional results.

Global Project Manager - Marcom

Apple, Cupertino, California | March 2015 - December 2021

Pioneered new Localization Manager role from the ground up, designing playbooks and translation tools to drive best-in-class translation services at Apple.

- Engineered transformative localization framework by boosting translation efficiency by 50% across 42 languages, significantly enhancing Apple's global marketing capabilities.
- Led a dedicated team of 20 project managers through high-impact global product launches, including major initiatives driving brand visibility and market share expansion.
- Created and delivered training materials and playbooks for over 100 international Brand Managers and creative teams, facilitating better communication and project execution across global functions.

Interactive Project Manager - Marcom

Apple, Cupertino, California | March 2014 - March 2015

- Directed the international marketing strategy for the launch of the first Apple Watch, achieving record sales of 4.2 million units in the first year—making it to Apple's largest and most successful product launch to date.
- Fostered collaboration and alignment between multiple cross-functional teams, driving project momentum from concept through execution.

Senior Project Manager

Wieden+Kennedy, Portland, Oregon | April 2006 - February 2014

- Managed the development of innovative marketing materials for two critically-acclaimed stop motion animated films, contributing to an increase in total box office revenue and Oscar nominations.
- Secured new business partnerships with major brands including Old Spice, Target, Starbucks, Levi's, and Coca-Cola.
- Maintained open lines of communication with creatives, ensuring all deliverables met both time and quality standards.
