CAMS Certified | 20+ Years in Banking | Compliance & Risk Management Expert

Bilingual: English & Arabic

PROFESSIONAL SUMMARY

Strategic compliance and operations leader with 20+ years in banking, specializing in AML, KYC, client due diligence, and internal controls. Proven ability to lead regulatory initiatives, improve audit performance, and prevent financial crime in high-volume environments. CAMS-certified with experience driving cross-functional teams, training programs, and large-scale system transitions.

LEADERSHIP & IMPACT

- Influenced compliance operations for complex portfolios and asset categories
- Onboarded and risk-assessed a wide range of corporate and retail client accounts
- Reported high-risk activity, avoiding regulatory fines and reputational damage
- Managed service teams and audits with zero critical findings over multiple years
- Led system migration projects across regions (Egypt & Dubai) improving data integrity and process speed

PROFESSIONAL EXPERIENCE

Emirates NBD – Egypt

Service & Control Manager | 2012 – 2024

- Directed branch compliance across onboarding, transaction monitoring, and documentation
- Investigated and filed SARs, aligning with AML/CFT, FATCA, and sanctions guidelines
- Oversaw internal audits, ensuring full compliance with operational and risk standards
- Trained 20+ staff in fraud prevention, client service, and regulatory requirements
- Awarded “Compliance Champion” and recognized for consistent audit excellence

Customer Service Operations – Mansoura Branch | 2009 – 2012

- Handled day-to-day customer service for retail clients, including high-volume onboarding
- Strengthened internal controls and improved client documentation workflows

Ahli United Bank – Egypt

Customer Service – Retail & Operations | 2004 – 2009

- • Delivered frontline support for retail banking operations and compliance checks
- • Resolved customer issues while ensuring policy adherence and KYC accuracy
