

Kelly Foncham

Scrum Master

Charlotte NC, 28269 | 910-303-0590 | kelly.ma.0305@outlook.com | [LinkedIn](#)

Summary

- Certified **Scrum Master** with over **7 years** of experience in orchestrating cross-functional teams to deliver high-impact software solutions by employing agile frameworks such as Scrum and Kanban.
- Spearheaded agile transformations by embedding agile principles, cultivating a culture of continuous improvement, and driving collaboration, significantly enhancing project delivery times.
- Facilitated and optimized Scrum ceremonies—including Sprint Planning, Daily Standups, Sprint Reviews, and Retrospectives—improving team performance, productivity, and communication efficiency.
- Proficient in leveraging agile project management tools such as Jira, Confluence, and Trello to ensure visibility, accountability, and seamless workflow execution.
- Advanced experience in implementing CI/CD pipelines and automating development workflows, accelerating release cycles, and reducing time-to-market.
- Delivered scalable and reliable solutions by applying agile best practices across multi-cloud ecosystems including AWS, Azure, and Google Cloud Platforms.

Skills

Agile Frameworks: Scrum, Kanban, Lean, SAFe

Scrum Practices: Sprint Planning, Daily Standups, Sprint Reviews, Retrospectives

Agile Maturity & Scaling: Agile Maturity Assessments, Scrum of Scrums, Large-Scale Scrum

Continuous Improvement: Agile Transformation, Iterative Development, Incremental Delivery

Backlog & Sprint Management: Product Backlog Prioritization, Sprint Backlog Refinement, User Story Creation

Risk & Impediment Management: Identifying and Managing Risks, Resolving Impediments, Mitigating Issues

Team Leadership: Facilitating Self-Organizing Teams, Cross-Functional Collaboration, Conflict Resolution

Agile Tools: Jira, Trello, Confluence, Rally

Version Control: Git, GitHub, Bitbucket

CI/CD Integration: Jenkins, GitLab, GitHub Actions

Automation & Testing: Selenium, Ansible, Jenkins Pipelines

Collaboration Platforms: Slack, Microsoft Teams, Zoom, Miro (for Agile workshops)

DevOps & Agile Integration: Continuous Deployment, Automated Testing, Infrastructure as Code (IaC)

Agile Coaching: Facilitating Agile Transformation, Mentoring Scrum Teams, Coaching Product Owners

Team Empowerment: Encouraging Self-Organization, Promoting Continuous Learning, Coaching on Scrum Best Practices

Stakeholder Communication: Effective Stakeholder Engagement, Product Vision Alignment, Project Status Updates

Experience

Clairvoyant, USA | Scrum Master

Aug 2022 - Present

- Led multiple cross-functional Agile teams of 10+ developers and product owners through all Scrum ceremonies, resulting in a 25% improvement in sprint velocity and on-time project delivery.
- Drove Agile transformation efforts within the organization, creating training workshops that increased Agile adoption by 40% and improved team collaboration.
- Implemented CI/CD pipelines and continuous integration practices, reducing the release cycle from monthly to bi-weekly, resulting in faster feedback loops and higher-quality deliverables.
- Managed cross-team dependencies and facilitated Scrum of Scrums to ensure alignment and collaboration between different teams, reducing delays in delivery by 20%.
- Collaborated with DevOps teams to integrate Agile and DevOps practices, resulting in 30% faster deployment of new features and bug fixes.
- Facilitated retrospective sessions that generated actionable insights, driving continuous improvement initiatives across the team, and reducing technical debt by 15%.
- Partnered with the QA and testing teams to ensure quality gates were integrated into sprints, improving software quality and reducing bugs by 20%.

ACL Digital | Scrum Master

Jul 2018 – Aug 2022

- Proficiently led SAFe events integrating Lean principles in PI Planning, SoS, Innovation, and Planning sessions/Inspection and Adapt, demonstrating a commitment to program excellence.
- Facilitated the Scrum process by maintaining up-to-date Scrum artifacts (product backlog, sprint backlog, and increment) through consistent team communication and collaboration.
- Led Agile transformation for a 150-member organization, introducing Scrum and Kanban frameworks that improved delivery timelines by 30%.
- Facilitated Scrum of Scrums for 5 teams, ensuring inter-team coordination and resolving cross-functional dependencies, reducing integration issues by 50%.
- Partnered with DevOps teams to integrate CI/CD pipelines using Jenkins and GitLab, automating deployment processes and reducing release times by 35%.
- Designed and executed risk management plans, mitigating 95% of potential project risks before impacting delivery schedules.
- Streamlined sprint backlog refinement, reducing scope creep by 20%, ensuring all deliverables adhered to the Definition of Done.
- Introduced Lean practices, which optimized team workflows and saved \$200K annually by eliminating non-value-adding processes.
- Coached and reinforced the scrum framework and agile principles to team members resulting in improved understanding and successful adoption.

McKinsey & Co. | Scrum Master

Jun 2016 – Jul 2018

- Facilitated daily standups, sprint planning, and retrospectives for 3 cross-functional teams, improving sprint completion rates by 25%.
- Conducted Agile Maturity Assessments, raising team performance from level 2 to level 4 within 8 months, aligning with SAFe principles.
- Collaborated with Product Owners to prioritize product backlogs, refining 100+ user stories per sprint cycle, ensuring alignment with business goals.
- Resolved 90% of impediments within 24 hours by coordinating with stakeholders, significantly reducing sprint delays.
- Implemented Jira workflows for tracking sprint progress and integrating with GitHub, increasing project visibility and traceability by 40%.
- Conducted quarterly Agile workshops using Miro, leading to a 20% increase in team collaboration and innovation.

Education

Bachelor of Business Administration and Management

University of Buea, Cameroon

Certifications

Certified Scrum Master – Scrum Alliance
