 - **Languages:** Spanish (Professional Proficiency)
-

PROFESSIONAL EXPERIENCE

Technical Operations Specialist | Cambium Learning | Remote | Feb 2022 – Present

- Orchestrated the end-to-end license management and deployment for the LETRS platform from a remote setting, strategically allocating over 200,000 licenses via VPORT to support complex, district-wide rollout plans.
- Authored and maintained a library of 30+ technical and knowledge base articles in **Guru**, standardizing procedures and improving first-contact resolution rates for a distributed support team.

- Managed the complete SaaS subscription lifecycle remotely, including scheduled terminations and decommissioning, ensuring 100% adherence to customer contract terms and data privacy policies.
- Served as the technical operations lead for licensing, utilizing **Slack** and **Microsoft Teams** for daily collaboration with Account Management and Sales teams to translate client needs into accurate technical configurations.
- Leveraged **Asana/Trello** for project tracking and **Google Workspace/Microsoft 365** for real-time document collaboration and process documentation.

Account Manager | Love's Financial | Memphis, TN (Remote/Hybrid) | Jan 2021 – Feb 2022

- Managed and nurtured a portfolio of 100 accounts with a total book of business valued at \$2.5 million, building strong client relationships through **virtual meetings (Zoom/MS Teams)** and consistent remote communication.
- Audited trucking accounts and analyzed shipment data using internal CRM/financial systems to identify and mitigate discrepancies, ensuring billing accuracy while working independently in a remote-capable role.
- Determined the factorability of loads by assessing financial risk and viability, demonstrating critical thinking and strategic decision-making with minimal supervision.
- Utilized **Microsoft 365 (SharePoint, OneDrive)** for secure document management and **Slack/Teams** for internal stakeholder communication.

Retail Sales Consultant | AT&T | Memphis, TN | Jan 2014 – Jan 2021

- Consistently exceeded sales goals by 20% through exemplary customer service and effective product demonstration.
- Utilized company CRM systems to manage customer interactions, track sales pipelines, and provide post-sale support.
