

PRACHI DHAGE (PMP)®

USA | (857) 230-5762 | dhage.p@northeastern.edu | www.linkedin.com/in/prachi-dhage

SUMMARY

PMP-certified project manager with 4+ years of experience in financial modeling, lean manufacturing, and value-based measurement. Skilled in delivering data-driven results and optimizing processes through continuous improvement.

SKILLS AND CERTIFICATIONS

Project Skills: Budgeting, Stakeholder Management, Vendor Relations, Risk Management, Strategic Planning, Prioritization

Productivity: Power BI, Advanced Excel (Pivot Tables, Macros), Tableau, MS Word, PowerPoint, Jira, SAP, ERP, Agile, Scrum

Technology: Python, R, SQL, MATLAB, Workfront, Google Analytics, Planview, Gantt Charts

Certifications: Project Management Professional (PMP)® – PMI 2025, Google Data Analytics 2022, Lean Six Sigma

PROFESSIONAL EXPERIENCE

Program Management Coordinator, PMO | STONERIDGE INC – Michigan, USA

September 2024 - Present

- Supported the DTNA program through Stoneridge Program Launch Process (SPLP) **stage gates**, ensuring key checkpoints were met and using **Planview** for real-time tracking and issue resolution, improving delay response time by 15%
- Managed **program launches** by creating integrated schedules in **J.D. Edwards**, aligning customer and supplier timelines, and achieving a 92% on-time delivery rate while tracking key metrics like milestone adherence and **supplier performance**
- Implemented a data-driven **vendor management** system across multiple regions, tracking 45+ critical supply deliverables (POs), enhancing cost transparency by 8%, and optimizing supplier negotiations to support **product development** timelines
- Collaborated with Daimler Trucks North America on the **Run at Rate (R@R)** exercise, analyzing **production metrics** to sustain a production rate of 9 pieces per hour and meet assembly demand requirements ahead of SOP
- Conducted **risk assessments** during daily **QRQC** (Quick Response Quality Control) sessions, resolving 3–4 escalations weekly, and ensuring quality and timeline standards were met
- Tracked **30+** open **Change Requests (CR)** and **Change Orders (CO)** across USA, JUZ, and SUZ locations, developed monthly progress metrics, and presented detailed reports to management, improving visibility and data-driven decision-making

Strategy & Technical Operations Co-op | SAREPTA THERAPEUTICS – Boston, USA

July 2023 - December 2023

- Engineered **financial models** and breakeven analyses for greenfield vs. brownfield projects, evaluating internal vs. external builds and created **business cases** to support pipeline programs SRP 9003 and SRP 9004, improving forecasting accuracy by 8%
- Conducted a detailed **COGS** (Cost of Goods Sold) analysis for SRP-9001 using Excel and **Power BI**, identifying the top 8 BOM (Bill of Materials) items, setting **SMART** goals for cost reduction, and achieving a 6% decrease in manufacturing expenses
- Optimized **vendor evaluations** for cell bank production, ensuring regulatory compliance and boosting project approval rates by 6% and successful bids by 12% through **RFPs**, **RFIs**, and vendor comparisons for C-suite decision-making
- Assisted in consolidating and evaluating **CMO** (Contract Manufacturing Organization) performance by tracking key **KPIs** (e.g., quality, delivery, cost efficiency) and identifying areas for **process improvement**, driving a 10% increase in operational efficiency
- Collaborated with cross-functional teams across finance, procurement, and quality to support process improvement initiatives, applying cGMP practices and contributing to a 10% enhancement in **operational efficiency**
- Supported the **technical operations** team in analyzing manufacturing capacity requirements for gene therapy programs, creating resource **forecasting models** that facilitated strategic decision-making on facility utilization

Key Account Manager | INSIGHT BUSINESS MACHINE PVT LTD – Mumbai, India

September 2020 - December 2021

- Managed the deployment of a **\$2.7M** network infrastructure project for Red Bull, ensuring compliance with **industry regulations** and maintaining strict adherence to operational and cybersecurity standards
- Leveraged **Salesforce** and Tableau to provide actionable insights on sales performance and **customer behavior**, driving a 13% revenue increase by making data-informed decisions and strategic adjustments to **go-to-market** strategies
- Led cross-functional collaboration with procurement, IT, and finance teams to streamline **project execution**, reducing time-to-market by 25%, enhancing project transparency, and ensuring alignment with key operational goals

Product Analyst | All WAVE-Audio Visuals SYSTEMS PVT LTD – Mumbai, India

March 2019 - September 2020

- Spearheaded data-driven **product roadmaps** for products like Kaptivo by analyzing **market requirements** and technical feasibility, using **Tableau** to align R&D priorities with business objectives, achieving a 12% increase in portfolio profitability
- Utilized the **RICE prioritization** model and **Jira** to optimize **resource allocation** for development initiatives, reducing project turnaround time by 19% and improving cross-functional team efficiency
- Enhanced technical-quality collaboration by defining system requirements, reducing integration issues by 25%

EDUCATION

Northeastern University, College of Engineering – Boston, MA

Master of Science in Engineering Management, Major – Project Management (GPA: 3.79/4)

May 2024

Mumbai University, Rajiv Gandhi Institute of Technology – Mumbai, India

Bachelor of Engineering in Computer Science, First Class with Distinction

May 2020
