

Professional Experience

Human Resources Specialist

July 2024 - Present

Oklahoma State University | Oklahoma city, OK

- Efficiently receive, organize, and track resumes and applications for all open positions using Cornerstone Applicant Tracking System (ATS) to ensure a streamlined recruitment process.
- Utilize UKG to efficiently manage employee records and complete onboarding processes.
- Develop, create, and strategically place job postings for both internal and external candidates.
- Maintaining communication with relevant vendors and regularly updating job postings on company websites and third-party platforms.
- Serve as the initial point of contact for new hires, guiding them through the onboarding process by assisting with background checks and completing all required employment documents, including E-Verify compliance.
- Prepare and distribute comprehensive recruitment reports to supervisors, ensuring accurate tracking and documentation for compliance and reporting purposes.
- Facilitate the onboarding process by clearly communicating new hire procedures and providing follow-up instruction or training through various formats, including email, presentations, in-person interactions, and department-specific sessions.
- Process and respond to information requests such as employment verifications promptly and accurately.
- Offer clear, consistent guidance on personnel policies and procedures to employees and management, ensuring compliance and understanding across the organization.
- Stay informed on federal and state employment laws, maintaining a thorough knowledge of compliance requirements and implementing updates as necessary.
- Address and resolve human resources-related inquiries with a focus on maintaining a positive and supportive work environment.
- Assist with accurate and timely payroll processing to ensure employee compensation is handled efficiently.
- Oversee new employee orientation, providing structured training and integration into the organization.
- Implement and manage talent management initiatives, focusing on developing career paths for all personnel and improving employee retention.
- Manage employee relations issues, including processing complaints related to harassment, discrimination, or workplace misconduct, and participate in investigations and disciplinary actions as required.
- Maintain accurate and confidential employee personnel records, ensuring compliance with legal and organizational standards.
- Manage DocuSign to facilitate digital document signing, maintaining accuracy and compliance throughout.

Technical Recruiter

June 2022 - August 2023

Randstad Technologies | Remote

- Managed full-cycle recruitment for IT and technical roles using Bullhorn ATS, LinkedIn Recruiter, and Monster to source, track, and manage candidate pipelines.
- Conducted targeted sourcing, leveraging Boolean search strings, industry-specific keywords, and advanced search techniques to identify top IT talent.
- Executed high-volume outbound calling campaigns to screen and qualify candidates, averaging over 45+ calls per day to ensure timely candidate engagement.
- Extensive experience partnering with C-suite, and hiring managers on understanding their open positions, and ideal hiring profiles.
- Demonstrated strong self-management and organizational skills while working remotely, consistently meeting recruitment targets and maintaining high candidate engagement.
- Conducted comprehensive technical screening interviews to assess IT candidates' expertise in areas such as networking, software development, cybersecurity, and IT support.
- Experience finalizing offers and presenting candidates to clients that meet their expectations and technical needs.
- Maintained and updated candidate information within Bullhorn, ensuring accurate documentation of all communications, interview feedback, and hiring progress.
- Demonstrated track record of effective candidate generation strategies and trained new recruiters on these strategies.
- Implemented a multi-channel recruitment approach, combining LinkedIn InMails, cold calling, and email outreach.
- Maintained strong, ongoing relationships with passive and active candidates through consistent follow-up and professional communication.
- Delivered a positive candidate experience by providing clear communication, timely updates, and constructive feedback throughout the hiring process.

State Driver's License Clerk (Contract)

July 2021 - January 2022

Galt Foundation | Oklahoma city, OK

- Assisted an average of 50+ customers daily with driver's license applications, renewals, and replacements, ensuring accurate and efficient processing.
- Responded to customer inquiries in person, over the phone, and via email, maintaining a high level of professionalism and patience.
- Accurately entered personal and identification information into the state database, minimizing errors through thorough data verification.
- Verified identity documents and cross-referenced information against state and federal databases to detect fraudulent activity.
- Operated biometric equipment (fingerprint scanners, photo capture systems) to accurately record and store customer identification data.
- Utilized a combination of state-specific software systems to efficiently process driver's license applications, renewals, and ID card requests.
- Performed regular system updates and troubleshooting to ensure uninterrupted operation of licensing software and peripheral devices.

Information Technology Specialist / Signal Support Systems Specialist

July 2015 - July 2021

Oklahoma Army National Guard | Norman, OK
