| PROFESSIONAL BACKGROUND

DecisionPoint – Reston, VA

Security Operation Division

2023 - 2024

Senior Project Manager (DOI Contract)

- **PROJECT MANAGEMENT:** Oversaw multiple projects for the Department of the Interior, successfully meeting quarterly goals by leveraging Smartsheet tool for tracking and coordination. Directed both Agile and Waterfall projects, ensuring alignment with strategic goals and organizational change objectives.
- **CYBERSECURITY SUPPORT:** Managed the implementation of Splunk and Forescout solutions and led site installation efforts. Ensured successful deployment and integration by coordinating with cross-functional teams to meet project deadlines and objectives.
- **SOLUTION DESIGN & AGILE COORDINATION:** Defined project scope and goals in collaboration with stakeholders, facilitating Scrum ceremonies to ensure effective solution delivery through Agile methodologies.
- **PMO TEAM LEADERSHIP:** Developed and managed product roadmaps, prioritized features, and tracked key metrics to ensure continuous improvement and alignment with business objectives.
- **STAKEHOLDER MANAGEMENT:** Maintained clear communication with all stakeholders, including clients, management, project team members, and vendors to ensure a shared understanding of project objectives, timelines, and deliverables.
- **RISK MANAGEMENT:** Developed and monitored the project timelines to ensure that implementation adhered to customer specifications and deadlines.

Freddie Mac – Mclean VA

Financial consulting – products, and services

2022 - 2023

Senior Product Analyst (Contractor)

- **PRODUCT MANAGEMENT:** Managed the deployment of the Condo Project Advisor application, aligning product features with business goals.
- **DESIGN THINKING & PROCESS IMPROVEMENT:** Collaborated with stakeholders, UX design team, end users, and IT teams using Design Thinking principles to ensure the product met user requirements and aligned with strategic business goals. This approach fostered innovation and enhanced efficiency, delivering high-impact SaaS products on time and within budget.
- **SCRUM METHODOLOGY:** Led Scrum ceremonies, including daily stand-ups, sprint planning, sprint review and retrospectives, to drive agile projects. Collaborated with cross-functional teams, including engineers, data scientists, and designers, to ensure effective project execution.
- **TECHNOLOGY DEPLOYMENT:** Ensured successful and timely deployment of application enhancements and security updates. Delivered product demonstrations showcasing new implementations and enhancements.
- **APPLICATION DEVELOPMENT:** Tested the deliverables for each sprint and reviewed product backlog items to ensure they translated into new product features and met acceptance criteria.

SAIC – Washington DC.
Technology Consulting firm

2016 - 2022

Strategic Planner – Program Manager (FAA contract)

- **DATA ANALYSIS & DASHBOARD DEVELOPMENT:** Produced quarterly reports for the ECG system by analyzing data sets to identify trends and actionable insights. Collaborated with engineers to develop reports, enhancing decision-making and performance management.
- **STRATEGY DEVELOPMENT:** Led the creation of performance dashboards, integrating quantitative data to track progress and qualitative insights to identify areas for improvement, resulting in a 20% increase in project efficiency.
- **SYSTEM MANAGEMENT:** Managed forecasting on the Corporate Work Plan portal for the ECG program, auditing cost activities to track progress, plan controls, and deliver results. Proficient in Prism and Delphi systems.
- **EVALUATION & RECOMMENDATION:** Provided strategic recommendations for the End of Life report, Corporate Investment Team (CIT) analysis, and Resource Planning Document (RPD), aligning with long-term planning and organizational goals.
- **CONTRACT MANAGEMENT:** Managed project timelines and stakeholder expectations to achieve performance goals. Validated and reviewed monthly task order budget reports for stakeholders.

BOOZ ALLEN HAMILTON – Washington DC
Business Management Consulting firm

2015 - 2016

Senior Consultant

- **ORGANIZATIONAL DESIGN:** Led initiatives in change management, advising executives on optimizing processes and executing strategies. Developed a performance management framework, including research, portfolio analysis, and performance measures to assess progress toward strategic goals.
- **COLLABORATION & DECISION-MAKING:** Coordinated with federal program stakeholders across organizational boundaries to deliver status information on actionable performance measures that enable decision-making.
- **KEY PERFORMANCE INDICATORS [KPI]:** Conducted data analysis to enhance the performance management framework, develop a process for selecting KPI, and facilitate sessions that help staff set long-term goal.
- **RECOMMENDATION, ADVISING & PROCESS IMPROVEMENT:** Identified and recommended process improvement efforts related to the organization's executive-level governance boards. Performed data analysis to advise and generate a dashboard that will serve to monitor the effectiveness of client's operations.

FREDDIE MAC – Mclean, VA
Financial consulting– products, and services

2012 - 2015

Risk Modeling Associate & Program Analyst

- **ASSESSMENT & COMPLIANCE REVIEW:** Evaluated mortgage servicers in line with national mortgage modification programs, conducting analysis and developing reports to support decision-making and compliance with regulatory standards
- **DATA ANALYSIS REPORT:** Provided data analysis report through extraction, compilation and manipulation from Excel (Macros, V-Lookups, Pivot Tables) to create Master tracker and provide results to the Senior NPV Director
- **REPORTING:** Provided reports to management by assembling and summarizing data, analyses, and recommendations
- **COMPLIANCE EVALUATION:** Reviewed mortgage files and on-site visits to servicers to evaluate their compliance with HAMP eligibility and data reporting guidelines
