Senior Oracle HCM Consultant – 09/2022 – 02/2025

- Led and managed the full lifecycle implementation and optimization of Oracle Recruiting and Talent Management for enterprise level clients across the healthcare, retail and hospitality industries.
- Served as subject matter expert (SME) on Oracle Recruiting and Recruiting Booster
- Designed, implemented and/or optimized system configurations including campaigns, hiring events, interview scheduling, approval flows, custom notifications, autocompletes, fast formulas, offer letters, and career websites, aligning with client employer branding strategies.
- Developed and delivered custom OTBI and BI Publisher reports and dashboards to provide data-driven insights to clients.
- Created and maintained a library of recruiting best practices and employer branding materials.
- Actively participated in new business development, including webinars, networking events, and pitch deck development.
- Built and customized Staples US Retail, Staples Canada, Estes Express Lines, Inova Healthcare, Durango Casino & Resort, Caesars Entertainment, Caesars Sportsbook, Stations Casinos, and URUS Group Oracle Recruiting Cloud websites.

Caesars Entertainment, Inc.

Enterprise Talent Acquisition Manager - 01/2021 – 8/2022

- Spearheaded the development and execution of nationwide talent acquisition and recruitment marketing strategies, encompassing digital campaigns, social media, career site development, and full-cycle recruitment process training for 52 locations and 102 recruiters.
- Led strategic direction for candidate attraction and messaging across 52 destinations and multiple sub-brands (Horseshoe, Lady Luck, Tropicana, etc.), adapting strategies based on regional needs and candidate personas.
- Drove candidate experience improvements through HR tech analysis, CRM implementation oversight, ORC architectural improvements, and candidate journey optimization.
- Partnered with senior leadership (Enterprise Director and VP of Talent Acquisition) on long-term strategic planning, overseeing department specialists and interns.
- Developed and delivered comprehensive recruitment training programs (including monthly sessions and on-demand resources).

- Orchestrated the highly successful 2022 National Day of Hiring campaign, resulting in approximately 1000 hires nationwide and significant media coverage.

Enterprise Talent Acquisition Specialist - 05/2021 – 01/2022

- Led national recruitment marketing and employer branding initiatives, including program development, implementation, and nationwide internal training for early talent, internships, and veteran hiring programs.
- Successfully launched a new career site built on Adobe AEM, optimizing site structure and content to align with employer brand strategy.
- Managed the national Caesars Scholars internship program, resulting in a relaunch across 30+ departments within six months.
- Designed and implemented targeted email campaigns for Las Vegas hiring events, achieving a 60% open rate and hiring over 300 guest room attendants within three weeks.

Foundational Career Solutions NW, LLC.

Founder - 01/2013 – 04/2021

- Founded and successfully managed a self-sustaining community support network focusing on workforce development and job placement, achieving over 90,000 members.
- Developed and implemented a comprehensive strategy for organic growth, resulting in a membership base representing nearly one-third of the adult population in SW Washington.
- Built and maintained key partnerships with regional stakeholders, including recruitment agencies, workforce development boards, and government entities.
- Designed and executed targeted outreach campaigns through online and in-person events, resulting in high engagement and significant community impact.

OPTI Staffing Group

Operations Recruiter - 09/2020 – 12/2020

- Full cycle 360-recruiting for temp-to-hire and contract administrative and operations roles in the manufacturing, construction, and distribution verticals.
- Responsible for the attraction, sourcing, processing, and placement of qualified candidates in roles critical to operational success within client organizations.

AHA - Brand Strategy and Creative Agency (Now: A FINN Partners Company)
