Professional Experience

Salesforce – Remote

Engagement Delivery Senior Manager

Feb 2023 – Present

- Scaled Siemens account revenue by 933% (from \$548K to \$5.6M+) by leading program expansion strategy, securing \$947K in steering committee approvals, and aligning delivery outcomes with long-term client objectives.
- Oversaw multi-project program portfolios spanning CPQ, CRM analytics, Service Cloud, SAP, and Zuora integrations, coordinating up to 28+ internal resources across 10 workstreams.
- Elevated delivery from tactical PM execution to strategic program leadership: staffed and mentored PMs, transitioned into portfolio-level oversight, and influenced C-suite executives across Meta, Siemens, and other enterprise clients.
- Established governance frameworks for \$10M+ enterprise programs, including executive steering committees, KPI dashboards, and quarterly business reviews.
- Recognized internally for financial stewardship, consistently delivering accurate forecasting, proactive risk mitigation, and “magic” budget management (per client Account Partner feedback).
- Mentored delivery leaders and coached peers through complex client escalations; structured program teams to enable workstream leadership and scale capacity.
- Delivered sustained client impact by embedding trust, customer success, innovation, and sustainability into program execution.
