EDUCATION

The Pennsylvania State University, GPA - 3.9

M.S in Informatics Human-Computer Interaction/Design

Aug 2023 - May 2025

State College, PA

WORK EXPERIENCE

College of Information Sciences and Technology - Penn State University

Aug 2024 - Present

Teaching Assistant

State College, PA

IST 210.001 & IST 210.003 Organization of Data - Co-ordinated 250+ students in UX research methods, including usability studies, field observations, and the creation of wireframes, prototypes, and UI mockups using Figma.

HCDD364 - Mentored Students with HCDD364, focused on user interviews, surveys, and usability testing to inform design decisions.

Analyzed student performance on quizzes and exams, identifying gaps in understanding of human oriented research methods and informing adjustments to lecture content for 50+ students.

Wellbeing & Health Innovation Lab - Penn State University

May 2024 - Present

Research Assistant

State College, PA

Charted critical research directions for conversational agents, incorporating user flows and design principles, by prioritizing the top 5 unmet needs of elderly patients, driving a 30% increase in user engagement during pilot studies.

NYKAA Fashion

Jul 2022 - Dec 2022

Brand Management, Multimedia and Graphic Design Intern

Hyderabad, India

Revolutionized visual content strategy by personally A/B testing 7 different image styles with 1000+ participants, collaborating with researchers to pinpoint preferences for website landing pages; findings informed design updates for catalog, improving user experience.

SKILLS AND TOOLS

User-centered design, User Interface Design, Wireframing (Paper /Digital), User flows, Rapid prototyping, Low, High fidelity & Clickable prototyping, User Interviews Design Methodology: User-centered design User Surveys, Inclusive Design, Usability Studies, Basic web development (HTML, CSS, JS), UI Animations, Illustration, Sketching

Tools - Figma, Adobe Creative Suite: Photoshop, Illustrator, Premiere Pro, Axure, AutoCAD, After Effects, Protopie, Balsamiq, Miro, CorelDRAW. **Platforms** - Android, iOS, Web

Volunteering + Community Experience

Adobe Summit

Mar 2024

Participant and Presenter

Remote, PA

Pioneered a VR-based storytelling initiative, incorporating sensory-adapted narratives to enhance engagement among five children with Autism Spectrum Disorder, leading to a 60% improvement in comprehension scores.

User Experience Professionals Association (UXPA) - Penn State University

Sep 2023 - Present

Active Member

State College, PA

Conceptualized and constructed interactive prototypes, comprising of low and high-fidelity designs, for 15+ distinct user interfaces, incorporating user feedback to improve usability scores by 40%.

Facilitated five hands-on UX workshops teaching wireframing, prototyping, and usability testing, enabling 30+ students to translate design theory into tangible solutions addressing user needs and business goals.

Friendly Environment for the Disabled

Jun 2021 - Nov 2022

Volunteer Service Worker

Hyderabad, India

Conducted user research to understand the needs of potential volunteers, resulting in a social media campaign and awareness posters that generated over 300 volunteer sign-ups and 500+ essential supply donations within 6 weeks.

Spectrum Inter-Department Fest, NIFT

Feb 2020

Student Volunteer

Chennai, India

Designed and implemented accessible event modifications for students with hearing disabilities, resulting in a tripling of participation among special needs attendees at the Spectrum fest.

Orchestrated collaborative sessions with event organizers, pioneering the adaptation of five activities to accommodate diverse abilities; fostered heightened engagement, tripling participation among special needs attendees.

COURSES AND CERTIFICATIONS

UX Design Specialization by Google
