Glenview, IL

PROFESSIONAL SUMMARY

- A highly detail-oriented Software Development Engineer in Test with 8 years of experience with strong knowledge in **Java, JavaScript, TypeScript, Maven, Selenium WebDriver, Cucumber, TestNG, Playwright, JUnit, SQL, JDBC, API, REST Assured Library, and Postman.**
- Competent in **Manual and Automation Testing, Functional, Smoke and Regression Testing.**
- Extensive experience in **Automation Framework** and automated Test Cases in **BDD (Behavior Driven Development)** and **DDT (Data Driven Testing).**
- Well-versed in **Page Object Model (POM)** to improve code reusability and central maintenance.
- Deep knowledge of **SDLC (Software Development Life Cycle), STLC (Software Testing Life Cycle)** and **Bug Life Cycle.**
- Experience in **Agile/Scrum** Methodology, worked closely with Product Owner, Scrum Master and attended different ceremonies like **Sprint Planning, Daily Standup, Sprint Retrospective** and **Sprint Review** Meetings.
- Comprehensive in **Rally, JIRA, Zephyr, Azure DevOps** for project management and bug tracking.
- **GIT / GITHUB** for version control system.
- Performed **Continuous Integration** automation using **Jenkins** and scheduled tests.
- Excellent interpersonal skills, good analytical and communication skills, and ability to work independently with minimal supervisor and perform as part of a team and interested in learning new technologies.

TECHNICAL SKILLS

- Languages: **Java, JavaScript, Typescript, SQL, HTML, Gherkin**
- Automation Tools & Framework: **Playwright, Selenium WebDriver, Cucumber, JUnit, TestNG, JBDC, Rest Assured, Postman**
- Testing: **Manual Testing, Automation Testing, Functional Testing, Smoke Testing, Regression Testing, Database Testing, API Testing**
- IDE: **IntelliJ IDEA, Eclipse, VS Code**
- CI/CD Tool: **Jenkins**
- Build Management Tool: **Maven**
- Version Control: **Git, GitHub, GitLab**
- Databases: **Oracle, MySQL, PostgreSQL**
- Project Management & Bug Tracking Tool: **Jira, Rally, Zephyr, Azure DevOps**
- Project Methodology: **Agile-Scrum, Waterfall**

WORK EXPERIENCE

| Consilio | REMOTE

Jan 2023 – Present

Sr Tester

- Design, develop and execute test plans and test cases based on project requirements.
- Collaborate with developers, product owners and business analyst to clarify requirements and ensure test coverage.
- Identify, document and track defects using bug tracking systems.
- Perform manual, automation, smoke, and regression testing.
- Participate in code reviews and test case review meetings and as well as Agile ceremonies.
- Lead testing efforts in Agile teams and ensure timely delivery of quality releases.
- Develop and maintain automation test scripts to ensure the quality of the application.

| Celektrix | REMOTE

Jan 2020 – Jan 2023

SDET

- Worked on creating Cucumber BDD (Behavior – Driven Development) automated testing framework by using Selenium WebDriver, Java, Cucumber, Gherkin and JUnit.
- Involved in different automation framework such as Behavior-Driven Development Framework based on the Page Object Model using Java and used Maven as project management tool.
- Experienced in preparing Test Plan, Test Strategy, Test Cases, Test Data and Test Execution.
- Participated in Agile ceremonies such as Sprint planning, Daily Standup, Sprint Retrospective and Sprint Review Meetings.
- Performed Functional Testing, Smoke Testing, Regression Testing and Back-End Testing.

| Customertactic | Chicago IL

May 2017 – Jan 2020

QA

- Experienced in perform Smoke Testing, Regression Testing and Functional Testing.
- Utilized JDBC library to connect to the database with using SQL for verification and validation of data from the MySQL, Oracle Databases.
- Identified web elements using Selenium WebDriver locators such as Class Name, ID, CSS Selector and XPath.
- Worked on writing automation test scripts using Java, Selenium WebDriver, Cucumber, JUnit and Gherkin.
- Performed web services testing using Rest-Assured library in Java as well as API manually using POSTMAN and sent various JSON/XML requests and receiving responses.
