EDUCATION

Master's degree, Computer/Information Technology Administration and Management

Elmhurst University

📅 08/2023 - 05/2025

PROJECT

WebsiteLink - <https://sruthiresturant.ccbp.tech/#>

Developed a responsive and visually appealing restaurant website showcasing a variety of food options, including detailed menus, pricing, and category filters. The website was built as a sample project to demonstrate front-end development skills using **HTML**, **CSS**, **JavaScript**, and **Bootstrap**.

KEY ACHIEVEMENTS

Enhanced Code Efficiency

Reduced development time by 25% by improving front-end code efficiency.

Expanded E-Learning Reach

Led team to deliver e-learning courses to 200 staff members agency-wide.

Impact Award Winner

Recipient of the Impact Award (twice) at Legato Health Technologies, recognizing excellence in work performance, innovative contributions, and commitment to delivering high-quality results.
