WORK EXPERIENCE

UI UX Designer

AaronBux, US (Remote)

Sep 2024 – Apr 2025

- Designed portfolio dashboard and internal screens for 3 distinct investment assets.
- Collaborated with cross-functional teams via Asana, Jira, and Slack to streamline workflows.
- Researched on price strategy and AI features to refine design priorities, boosting time optimization by 67%.
- Set up the reusable assets by creating components to enhance the design efficiency by 17%.

ADDITIONAL EXPERIENCE

ElderConnects Healthcare Design Project | Michigan State University

Jan 2025 - Current

- Leading user research to uncover AI's impact on mental health, and overall well-being among older adults.
- Conducting 5 interviews to refine the design concept and define user-AI chatbot roles distributions.
- Designing UI and prototyping conversational AI interactions while developing workflows for both user experience and technical implementation.

StoryScape AR Interactive Postcard Design Project | Michigan State University

Sep 2024 - Dec 2024

- Led user research with 4 participants, synthesizing findings into actionable design improvements.
- Designed interactive Figma prototypes integrating AR, enhancing user engagement and increasing satisfaction by 20%.

CookingMaster Design Project | Michigan State University

Jan 2024 - Apr 2024

- Analyzed user needs and behaviors, uncovering key UX improvement areas.
- Redesigned app UI and navigation, leading to a 33% increase in user satisfaction.
- Optimized UI elements to improve accessibility and engagement by 19%.

VRventHub Design Project | Michigan State University

Sep 2023 - Dec 2023

- Developed user personas, journey maps, and wireframes, translating insights into intuitive design solutions.
- Managed design assets and component libraries, ensuring consistency and reducing design time by 10%.
- Conducted user testing with 3 participants, resulting a 14% improvement through iterative enhancements.

EDUCATION

Master of Media and Information (HCI, UI/UX Design Focus)

Michigan State University, East Lansing, MI | (GPA: 3.77/4.0)

Aug 2023 – May 2025

Relevant Courses: AR Design, Interaction Design, Advanced Web Development

Bachelor of Information Sciences

National Taiwan Normal University, Taipei, Taiwan | (GPA: 3.88/4.3)

Sep 2019 - Jun 2023

Relevant Courses: Human-Computer Interaction, Web Design (I & II), User Experience Design

Skills

- Design:** Wireframe, Prototype, Visual Design, Web and Mobile Design, Interaction Design, Animation
- Research:** Competitive Analysis, Interviews, Surveys, Persona, Journey Map, Usability Test
- Tools:** HTML5, CSS3, Adobe Creative Suite, Figma, Miro, Zapworks, MS Office, Tableau
- Soft Skills:** Communication, Problem-solving, Cross-functional Collaboration, Human Centered Design
