EXPERIENCE

Training Operations Temp

K-FORCE/KUBOTA TRACTOR CO., 08/2023 – 05/2024

Support automatization of any training operations projects to maintain current operations, facilitate attendance record keeping, convert data from different platforms to as needed for day-to-day training activities, as well as troubleshooting for any existing automated process as needed.

Computer Science Intern

KUBOTA TRACTOR CO., 06/2023 – 08/2023

Assigned to automate Kubota University's calendar for Kubota's dealers to use when enrolling in dealer's sessions to monitor and control space availability for signing up and participating in the trainings.

Mathematics Tutor

HEY TUTOR, 01/2022 – 05/2023

Support students with helpful study habits and exam strategies. Design age-appropriate math activities to help student progress. Collaborate with students to complete homework assignments, identify lagging skills, and correct weaknesses. Teach and assist students in Algebra, Pre-Calculus, Calculus, Statistics, and Discrete Mathematics.
