-

EXPERIENCE

Senior Manager, Commercialization

Crown Laboratories / Revance | Jun 2022 – Aug 2025

- Directed end-to-end commercialization across all business units, ensuring seamless product launches and execution.
- Trained and mentored the project management team, enhancing cross-functional efficiency.
- Developed and published a Brand Innovation Tracker, providing leadership with clear visibility into NPD status.

Manager, Planning & Costco Supply Chain

StriVectin | Aug 2018 – May 2022

- Managed the full Costco business ($\approx 50\%$ of company sales), overseeing demand planning, purchasing, production, logistics, and invoicing.
- Partnered with finance to reconcile inventory across three production sites and resolve cost variances.
- Reviewed and validated monthly assembly transactions to prevent item cost discrepancies.
- Led cross-functional commercialization meetings with Marketing, Product Development, Creative, and Operations to drive timely launches and reformulations.
- Created new SKUs, UPCs, and Bills of Material; maintained the Standard Cost of Goods File to guide COGs benchmarks for new products.

Senior Manager, Purchasing, Planning & Merchandising

Kevyn Aucoin Beauty | Jun 2016 – Jul 2018

- Procured turn-key and non-turn-key finished goods and components while maintaining luxury brand standards.
- Collaborated with demand planning to optimize forecasts and sustain 98%+ in-stock levels.
- Introduced new suppliers, reducing COGs while upholding quality.
- Chaired internal and external commercialization meetings to ensure flawless execution of launches and reformulations.
- Negotiated contracts and managed logistics for component and finished goods movement.
- Oversaw counter unit updates in prestige retailers to support new launches.

Supply Chain Operations Manager

Alterna Haircare | Nov 2012 – Jun 2016

- Purchased finished goods and components for new and existing SKUs, managing over 50 reformulations.
- Maintained strong in-stock levels (98%+) while reducing excess inventory and consolidating production facilities.
- Directed commercialization meetings across Marketing, Packaging, Creative, and Operations.
- Negotiated supplier agreements and approved invoices, ensuring accuracy and timely payments.

Account Specialist, Client Development

The NPD Group, Inc. | Oct 2006 – Oct 2012

- Delivered analytical insights and strategic recommendations to top prestige beauty clients.
- Produced competitive analyses, market trend reports, and consumer studies to inform executive-level decisions.
- Increased account revenue and identified new business opportunities through consultative partnerships.
- Negotiated contracts, developed proposals, and built strong client relationships with senior stakeholders.

EDUCATION

Master of Business Administration | Long Island University
