PROFESSIONAL EXPERIENCE

Sophos, Bengaluru

Project Coordinator —2021 – 2024

- Led Scrum ceremonies (Sprint Planning, Daily Stand-ups, Sprint Retrospectives) to enhance team collaboration and communication.
- Managed Jira and Confluence for tracking project milestones, backlog grooming, and Epic creation.
- Collaborated with Engineering, DevOps, and Business teams to deliver complex projects under tight deadlines.
- Developed data analyses for Secure Access Service Edge (SASE) and Access Point (AP) projects, influencing strategic business decisions.
- Reduced deployment times by improving release processes in collaboration with Engineering, Build, and Test teams

Bounce, Bengaluru

Project Coordinator — 2019 – 2021

- Led ERP projects including platform installations, upgrades, and data integrations for financial and audit purposes.
- Ensured ERP application integrity and provided support across departments.
- Managed change and release management processes, ensuring smooth platform updates and successful go-lives.
- Enhanced ERP user experience through training sessions, SharePoint tools, and knowledge sharing across teams.
- Worked on inventory processes with Hubs, clusters, and Plants to optimize ERP usage.

Porter.in, Bengaluru

Partner Support Representative — 2018 – 2019

- Resolved partner complaints and issues by researching, exploring solutions, and escalating as necessary.
- Worked cross-functionally with Sales and Partner Account Teams to ensure day-to-day service levels were met.
- Identified and implemented solutions to resolve partner problems and prevent recurrence.
- Managed training delivery to ensure partners effectively conducted business operations.
