PROFESSIONAL EXPERIENCE

Operations Manager

Bigshow Scaffolding – Ontario, Canada | 2022 – Present

- **Reduced Waste by 90%:** Achieved significant efficiency gains by implementing optimized scheduling and factoring backhaul trips into fleet logistics.
- **Directed Cross-Functional Projects:** Led Agile, Scrum, and Waterfall initiatives with a track record of consistently delivering projects on time and within scope.
- **Integrated Technology Solutions:** Applied Microsoft Project, JIRA, and SAP ERP to automate reporting and track KPIs, cutting reporting cycle time from weeks to days.
- **Strengthened Stakeholder Collaboration:** Partnered with executives, vendors, and site supervisors to accelerate approval timelines and ensure alignment with organizational goals.
- **Procurement:** Had a sourcing portfolio for all vendors, categorizing them to Prices and Lead time to ensure material sourcing are always done on time to prevent stock-out for our projects.
- **Approving PO's:** Reviewed and approved all PO's in a timely manner to meet with operational goals.

Material and Transportation Manager

Bigshow Scaffolding – Ontario, Canada | 2019 – 2022

- **Improved Delivery Timelines by 18%:** Enhanced transportation efficiency through route redesign, vendor scheduling improvements, and elimination of bottlenecks.
- **Optimized Inventory Management:** Reduced recurring material shortages by implementing demand forecasting models and ERP-based tracking.
- **Reduced Transportation Costs:** Achieved six-figure annual savings by consolidating shipments and renegotiating contracts with key logistics providers.
- **Developed High-Performing Teams:** Supervised and trained 15+ staff members in ERP systems, compliance, and material handling to improve overall productivity and accuracy.

Business Analyst

EQ Bank – Toronto, Canada | 2018 – 2019

- **Increased Operational Efficiency by 15%:** Identified process bottlenecks and implemented system enhancements that streamlined workflows.
- **Delivered Actionable Data Analysis:** Leveraged SQL, Excel, and dashboard reporting to generate insights, which cut manual reporting errors by nearly one-quarter.
- **Supported Agile Delivery:** Contributed to sprint planning, backlog refinement, and daily stand-ups to ensure consistent completion of project deliverables.
- **Captured and Translated Requirements:** Partnered with stakeholders to document business needs and align IT solutions with organizational objectives.

Volunteer Experience

Raging Lions Soccer coach – Brampton Ontario | 2023 – Present

- **Team Bonding:** For my team, I mainly prioritize team bonding activities before and after the games to give them a sense of togetherness when they are on the pitch.
