

NATHAN TADESSE

Project Manager, Data Analyst and Educator and Social Worker

PROFESSIONAL SUMMARY

With over 11 years of experience spanning project management, data analysis, education, and social work, I bring a unique blend of strategic thinking and heartfelt commitment to every initiative I lead. My work centers on empowering youth and women through innovative teaching methods, data-informed decision-making, and sustainable business practices that drive real change. I'm passionate about building inclusive programs that protect children, uplift communities, and connect education with social impact. Whether mentoring, designing curricula, or analyzing trends, I strive to create environments where people thrive and possibilities grow.
