EDUCATION

University at Buffalo, The State University of New York

Master of Science in Computer Science

K L Deemed to be University

Bachelor of Technology in Computer Science and Engineering

August 2022 - December 2023

Buffalo, New York, USA

June 2017 - May 2021

Guntur, Andhra Pradesh, India

TECHNICAL SKILLS

Programming Languages: C, Java, JavaScript, Apex, Python, SQL

Technologies & Frameworks: Salesforce LWC, Visualforce, ReactJS, AngularJS, Bootstrap, JSON, GraphQL

Tools: AWS (EC2, S3, Lambda, DynamoDB), GitHub, Marketo, Android Studio, Robotic Process Automation (RPA)

Salesforce: Apex Triggers, Batch Apex, Flows, Salesforce APIs (REST/SOAP), SOQL, SOSL, Salesforce Customer 360, Data Modeling, Integration, Veeva CRM, Salesforce Flow, Workbench, Copado

Database: MySQL, PostgreSQL, NoSQL (MongoDB), DynamoDB

WORK EXPERIENCE

Salesforce Developer

Kyra Solutions, Tallahassee, FL

February 2024 - February 2025

- Engineered 30+ Apex classes and triggers to optimize workflows and integrate Salesforce Customer 360, enhancing operational efficiency for 500+ users and reducing errors by 25%.
- Designed and deployed 20+ Lightning Web Components (LWC), improving user interaction with critical healthcare data and increasing accessibility for non-technical users.
- Automated complex business processes using Salesforce Flow and Workbench, reducing manual tasks by 30% and cutting processing time by 25%.
- Ensured HIPAA compliance by implementing encryption, sharing rules, and advanced data access controls, safeguarding sensitive healthcare information.
- Collaborated with cross-functional teams to customize Salesforce workflows, aligning with organizational goals and achieving a 15% improvement in user satisfaction.

Salesforce Developer

Cognizant Technology Solutions, Hyderabad, Telangana, India

June 2021 - August 2022

- Delivered 50+ Salesforce customizations using Apex, Visualforce, and LWC, optimizing workflows and boosting system performance by 30%.
- Implemented and customized Field Service Lightning, streamlining inventory management for 200+ field technicians and reducing costs by 20%.
- Collaborated with business teams to deliver user-focused CRM enhancements, driving adoption and aligning with business objectives.
- Configured 100+ dashboards, reports, and user roles to enhance productivity and support data-driven decisions.

Intern - Salesforce Trainee

Cognizant Technology Solutions, Hyderabad, Telangana, India

January 2021 - June 2021

- Achieved Trailhead Ranger status by completing 6 Super Badges, showcasing proficiency in both Salesforce administration and development.
- Assisted in Salesforce customization and data migration, developing 20+ Visualforce pages and 15+ Lightning components, enhancing usability for 100+ users and improving system efficiency by 30%.
- Designed custom integrations using Visualforce, Apex, LWC, JavaScript, SOQL, and third-party services, reducing manual processes by 40% and optimizing system functionality.

PROJECTS

- Automated Attendance System Using Face Detection,** Implemented advanced facial detection technology, reducing attendance monitoring time by 40%, enhancing accuracy by 20%, and increasing model precision by 15%. This streamlined integration into existing systems, improving efficiency and operational workflows. [GitHub](#)
- Land Registration System,** Engineered a robust system using Blockchain technology, achieving a 30% reduction in registration time and a 20% decrease in fraud cases. Utilized HTML, CSS, React, MetaMask, and Solidity, significantly enhancing data integrity and reducing document loss by 25%. [GitHub](#)
- AI-Powered Water Motor Health Prediction,** Built an AI-driven web application to predict water motor health, increasing diagnostic accuracy by 25%. Leveraged HTML, CSS, and Python for a responsive interface, incorporating AI techniques for data preprocessing and model training to improve predictive capabilities. [GitHub](#)

CERTIFICATIONS

- Salesforce Certified Administrator
- Salesforce Certified AI Associate
- AWS Certified Cloud Practitioner
- Simplilearn Certified CompTIA Security+ 501
- Salesforce Certified Platform Developer 1
- Salesforce Certified AI Specialist
- AWS Certified Solutions Architect - Associate
- Simplilearn Certified Java Programmer
