SUMMARY:

6 years of experience designing, developing, and deploying high-quality **iOS mobile applications** using **Swift**. Proficient in collaborating with cross-functional teams to deliver streamlined and efficient workflows. Currently Pursuing Masters in computer Science at San Francisco Bay University.

EDUCATION: Master of Science in Computer Science, San Francisco Bay University | **April 2025 (Expected)**
| GPA: 3.75 (Current) with **CourseWork:** Generative AI, Machine Learning, Advanced Database Systems, Python Programming, Practical Application of Algorithms.

SKILLS:

Programming Languages: Swift, Python, Java, SQL, C++.

iOS Expertise : UIKit, Cocoa Touch, Core Data, Combine, SwiftUI, Foundation, MapKit, AVFoundation, SceneKit, Firebase, ARKit, CoreML, HealthKit, StoreKit, Crashlytics, App Provisioning, Unit Testing (XCTest), Dependency Management (Carthage, CocoaPods), RESTful APIs, Push Notifications, MVVM, MVC, Protocol-Oriented Programming.

PROFESSIONAL EXPERIENCE:

Mobile Application Developer(iOS): DBS Tech India (Nov 2019 – Sep 2022)

- Designed and maintained **Micro Front Ends** (e.g., QR Payment MFE with comprehensive features such as scan and read) for reusable components across banking apps.
- Contributed to critical modules, including **QR Payment**, **Loan**, and **Credit Card** functionalities.
- Boosted app performance by 15% through optimized memory management and minimized crashes using **Crashlytics**.

Mobile Application Developer(iOS): IBM India Pvt Ltd (July 2015 – Oct 2019)

- Built reusable frameworks (e.g., **Login Module**) using Swift for industrial applications.
- Developed the **AR Catalog** proof-of-concept app for online shopping, leveraging **ARKit** for 3D product visualization.
- Delivered frameworks like **Login**, **Keychain**, **Theme**, and **Media Compression** to support enterprise-grade apps.

ACADEMIC PROJECT: Developed an AI-powered chatbot for our college website using large language models (LLMs) in Panel UI, Python to enhance user engagement and streamline information access.

AWARDS & CERTIFICATES: Manager Choice Award(IBM), Runner up at HacktoHire (Hackathon by DBS), Certificate of appreciation (DBS)
